# Our values

#### **Our values**

Customers First

Ideas into Actions

Unleash Potential

Be Courageous

Empower People

# The Queensland Government's objectives for the community

# Diversity and inclusion

We have a responsibility to ensure our employee pool reflects and better serves the diverse nature of the Queensland community.

- Diversity brings different perspectives into the workplace.
- An inclusive workplace ensures employees feel confident and supported to contribute and participate fully in the workforce.
- Diverse and inclusive teams:
  - generate new ideas
  - challenge the status-quo
  - introduce fresh ways of looking at problems
  - offer a wider range of potential solutions.

#### **Agenda**

- Overview of industry brief
- Procurement processes
- Overview of each region
- Significant projects for each region
- Construction projects
- Planning/design projects
- Questions.

#### Overview of industry brief

- Enhance stakeholder engagement
- Respond to industry requests for information
- Similar briefings state wide
- Highlight key strategic projects
- Detail regions' planning, design and construction projects
- Timing of brief.

#### **Engagement with industry**

- Recognise constrained market
- Recognise effort by consultants and contractors to understand TMR's business
- Tender assessments using combination of price and non-price criteria
- Service local consultancies.
- Engineering consultancy planning and design
  - Overview of Engineering Consultancy Scheme (ECS)
- Construction contract construction
  - Overview of Transport Infrastructure Contract (TIC-CO)

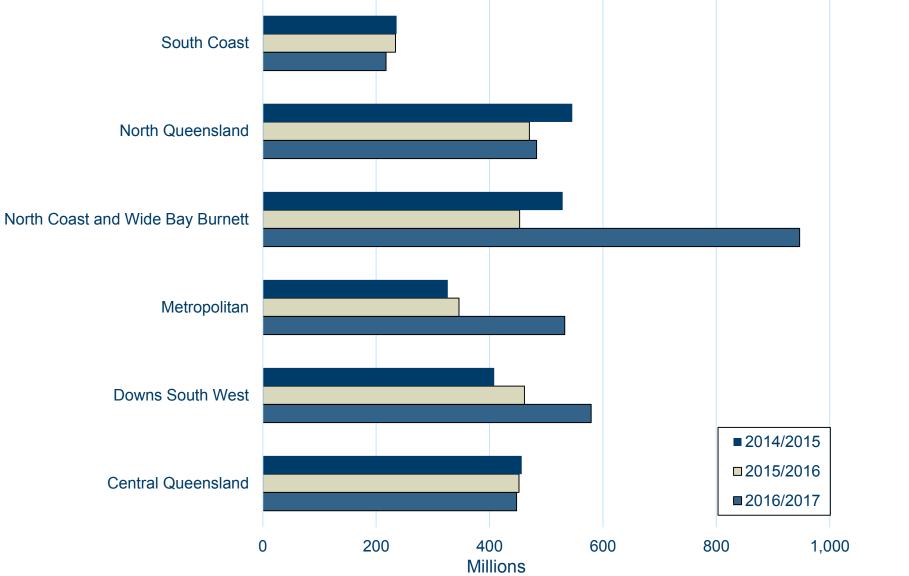

### **Engineering Consultant Scheme (ECS)**

- Industry awareness sessions have been held
- 'One Government' Engineering Consultant Scheme
- Used to select and engage consultants
- Transport and Main Roads will be using this process
- Offers will be issued via 'Vendor Panel' mechanism
- Consultants for engineering projects
- Information on the Housing and Public Works website
  - Procurement
