| 1 | - | Update to Corporate Template | Owen Arndt | February 2014 |
| 2 | Chapter 2 Appendix 2A | Addition of introductory paragraph | Director (Road Design) Geospatial, Design and Capability (E&T) | October 2016 |
| | Chapter 2 Appendix 2A | Removal of string naming convention for survey | | |

Contents

1 String naming conventions1

Table

Table A1 – String naming conventions..... 1

1 String naming conventions

The following table contains the department's design string naming convention (i.e. specific design feature with corresponding label) for most design data used for the planning, design development and construction of projects undertaken for the Department of Transport and Main Roads (refer to the current version of the TMR Customisation for a complete listing of TMR's string naming convention). In most cases only the first two characters of the string label are relevant for string recognition. The number of characters in the string label and its definition will be dependant on the modelling software used. Associated models, CAD layers and line style names have also been included for ease of reference.

Refer to 'TMR Surveying Standards - Schedule 1' for the string and model naming conventions for all survey data used for projects undertaken for the Department of Transport and Main Roads.

All string naming conventions, models, layers, line styles, symbols and so on shall be presented as per the current versions of 'TMR 12D Model Customisation' and 'TMR AutoCAD Customisation'.

Table A1 – String naming conventions

| Design Feature Description | Label | Model | CAD Layer | Line Style |
|------------------------------------|-------|-------------------|-----------|------------|
| Alignment - Geometry | GC | Design Control | - | - |
| | | | | |
| Alignment - Levels | LC | Design | - | Continuous |
| | | | | |
| Alignment - Master | MC | Design Control | MRR_MC | Continuous |
| | | | | |
| Boundary - Used For Trimming | BY | Design Boundary | MRR_BY | Continuous |
| | | | | |
| Boundary - Design | BDY | Design Boundary | MRR_BDY | Continuous |
| | | | | |
| Boundary Easement | EB | Design Cadastral | MRR_EB | MRR_EB |
| | | | | |
| Boundary - Resumption | RS | Design Cadastral | MRR_RS | MRR_RS |
| | | | | |
| Boundary - Road Declaration | RD | Design Cadastral | MRR_RD | MRR_RD |
| | | | | |
| Boundary - Unsurveyed | UP | Design Cadastral | MRR_UP | MRR_UP |
| | | | | |
| Bridge Abut/Pier Column Centreline | PC | Design Bridge (X) | MRB_PC | Continuous |
| | | | | |
