Please outline the nature of your complaint

I collected the vehicle on the 3rd of December on the 11th December broke down at Kilkenny and mechanic fixed it enough to nurse it home to our mechanic who found 23 major issues with the vehicle, under their instructions we had an independent Safety Certificate done who found the vehicle to be very unsafe and was 100% certain it should not have been passed 2 weeks prior. My biggest issue is if the vehicle didn't have the safety certificate I would not have bought it. To pay \$15000 after 1 week not to have a vehicle is appalling and now have to do a complete rebuild. I am hoping for Old Transport to do an inspection and deal with Dif Auto Solutions accordingly.
