RTI Request 135 05880

1. Total Frequency and duration (Date/Time/Duration) of unplanned closures on the Kennedy Highway (32A / Cairns - Mareeba) and the Gillies Range Road (Road 642). For the time period 2007-2018 (or part thereof).

Summary Data below for the Kuranda and Gillies Range Road.

Summary Data RTI 1st June 2008 to 7th August 2018

Road	Number of unplanned incidents resulting in a full or partial road closure	Approximate Total Closure Time	Average Closure Time
32A – Kuranda Range	493	1111 Hrs 24 mins	2hrs 15 Mins
642 – Gillies Range	341	1193 Firs 52 Mins	3hr 30 Mins

Notes

642 - Is prone to long closures due to flooding whilst Kuranda virtually flood free

642 – Also has a longer response time to distance from RoadTek depot and phone coverage issues.
