Please note the following

The Department of Transport and Main Roads is responsible for managing Queensland's state-controlled road network. This includes the roads themselves and all items in the road corridor, such as:

- bridges
- traffic lights
- street signs
- guard rails
- busways and busway stations.

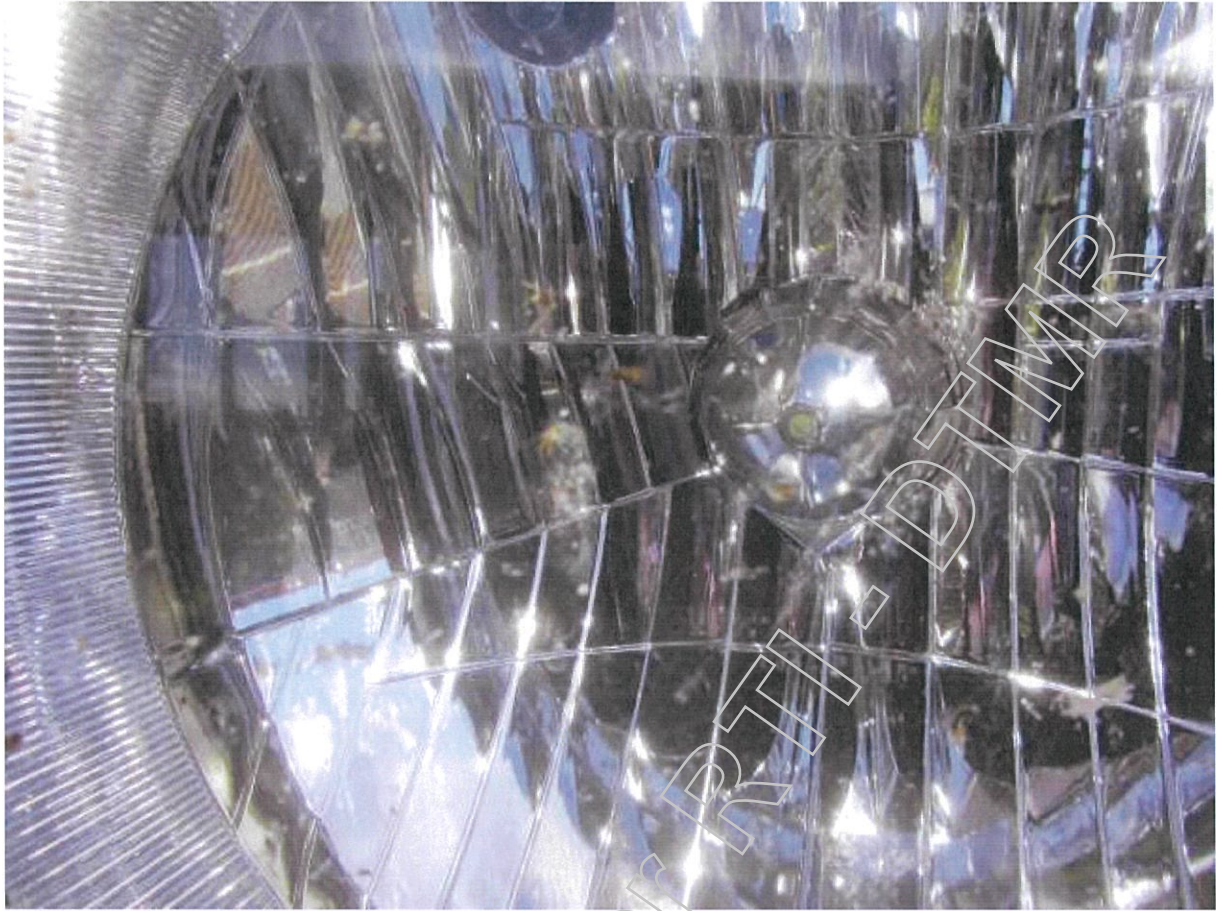

If a vehicle registered in a driver or company's name causes damage to part of the road network, the registered driver/company may have to pay for the damage under section 48 of the Transport Infrastructure Act 1994 (Qld).

The department is responsible for 33,535 kilometres of road out of approximately 180,00 kilometres of road in the State, the longest in Australia.
