

Dinmore train station southern car park access

Major construction of the new Dinmore pedestrian bridge is about to commence. To facilitate these works, access to the Dinmore train station southern car park will temporarily change from May until approximately August 2011.

Entry into the car park will only be via the access on Brisbane Road with the exit only via River Road, Dinmore.

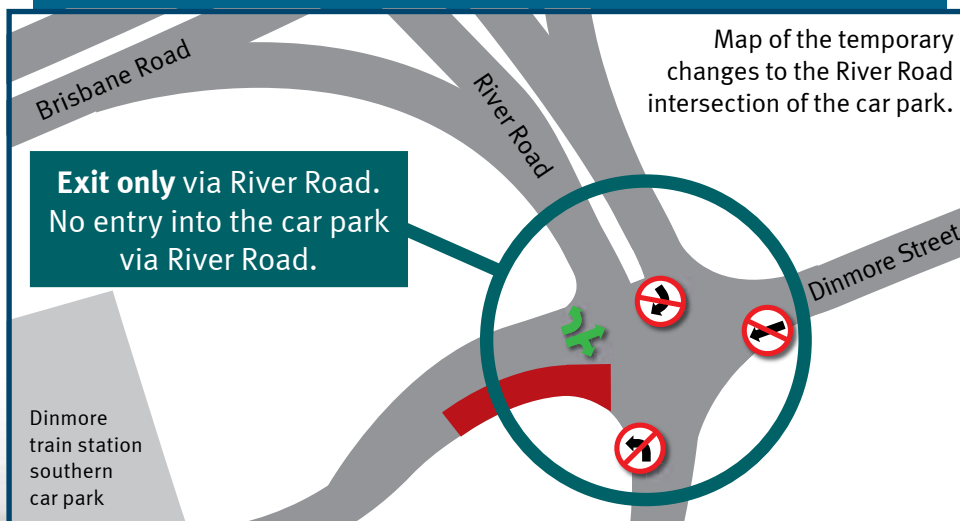

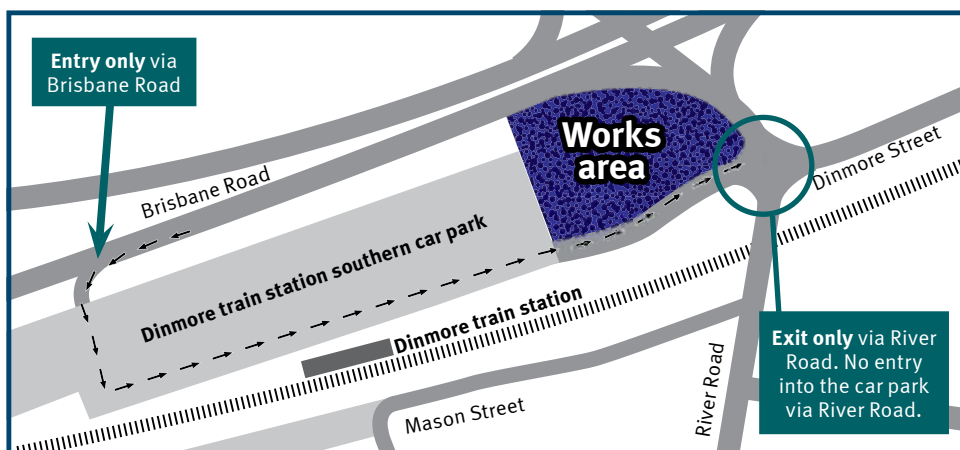

Access into the car park via River Road will be closed for the duration of works (refer to the map for car park entry and exit points). Motorists will continue to be able to turn left, right or go straight ahead when exiting the car park.

Works are subject to weather and construction conditions.

We thank you for your ongoing patience and understanding during these important works.

For regular updates on construction works, you can subscribe to the weekly project update sent out by email. Call the project hotline or register your interest via dinmore2goodna@tmr.qld.gov.au.

This project is delivered by the Department of Transport and Main Roads as part of the Origin Alliance.
