Ongoing work

Goodna

Church Street underpass	Works are continuing at the Church Street underpass, with one way traffic access from Queen Street. A long-term diversion is in place via the Bertha Street underpass for traffic travelling from north to south across the motorway.
Goodna Train Station pedestrian bridge	Works are continuing to complete the new pedestrian bridge and are ongoing in the car park. Origin Alliance is working hard to ensure the lift is operational as soon as possible, but due to current high demand the relevant parts will not be available until late May 2011.
Brisbane Road	Works are continuing along the length of Brisbane Road from the BP service station to the Goodna westbound on-ramp with the construction of retaining walls for the motorway upgrade.
Smiths Road	Finishing works on Smiths Road extension are continuing and will be complete by late May 2011.

Redbank

Mine Street	Night works are continuing in preparation for the removal of the old Mine Street bridges. These works require the Mine Street underpass to be reduced to one lane each way at night. This current arrangement will be in place intermittently until 21 April 2011.
-------------	--

Monash Road	Works are ongoing on the Monash Road connection and will occur intermittently in this area until late 2011.
-------------	---

Riverview

Brisbane Road	A small section of Brisbane Road (near Tessman Street) has been closed to motorists (until early 2012). Vehicles are to detour to Ipswich Street. Pedestrian access has been maintained, however at times may be detoured to Ipswich Street.
Local streets	Finishing works are ongoing on Endeavour Road, McEwan Street, Verrall Street and Moggill Ferry Road and will continue until late April 2011.
Endeavour Road connection	Construction of the retaining walls either side of the new Endeavour Road connection (Esther Street side) is underway and will continue until approximately May 2011.

Dinmore

Dossie Street	Dossie Lane has been closed to traffic and Dossie Street is now a cul-de-sac at the end that joins Dossie Lane. This arrangement will be in place until approximately June 2011.
Dinmore Park	Works are continuing on the new bridge in Dinmore Park. For the duration of these works, pedestrian access to the Dinmore Train Station will be detoured around the park with temporary traffic management in place. These works will continue until approximately November 2011.
Queensland Rail train lines just east of the Dinmore Train Station.	Night works will continue until 5 am Monday 18 April 2011 to complete the installation of drainage across the Queensland Rail train lines in Dinmore. Residents may experience an increase in noise levels during this work.

General information

The Australian Government has committed \$1.95 billion to upgrade the existing Ipswich Motorway between Dinmore and Goodna to relieve traffic congestion and improve safety and reliability for motorists. The Ipswich Motorway Upgrade: Dinmore to Goodna project is being delivered by Origin Alliance, comprising the Department of Transport and Main Roads, Abigroup Contractors, Fulton Hogan, Seymour Whyte Constructions, SMEC Australia and Parsons Brinckerhoff. The upgrade includes the widening of the Ipswich Motorway to a minimum of six lanes and construction of new service roads to improve local access.

Construction work will generally be carried out between the hours of 6am and 6pm, Monday to Saturday. Residents will be notified of any work undertaken outside these hours.

All works are subject to weather and construction conditions.
