

Ipswich Motorway Upgrade: Dinmore to Goodna

Saturday 8 October – Friday 14 October 2011

Weekly project update

Eastbound view of the works at the Dinmore end of the project

New work

Goodna

Southern service road between Bertha and Church Streets	The southern service road between Bertha and Church Streets will be closed for electrical works between 8 pm and 5 am nightly from Sunday 9 October to Thursday 13 October 2011 . A detour will be in place via Mill Street.
Church Street underpass and on-ramp (Brisbane bound)	The Church Street on-ramp (Brisbane bound) to the Ipswich Motorway at Goodna, and the underpass, will be closed each night between 7.30 pm and 5 am from Sunday 9 October to Thursday 13 October 2011 . This closure is necessary for the installation of throw screens and conduits. Detour signage will be in place to direct motorists to the Progress Road on-ramp.

Redbank

Mine Street underpass	Night works are required at the Mine Street underpass to continue painting on the northern side and undertake works on the southern side. Works will occur between 7 pm and 5 am nightly from Sunday 9 October to Friday 14 October 2011 . During the painting works, Francis Street will be closed with motorists diverted via Mine Street and Brisbane Road. Access through the Mine Street underpass will be maintained with traffic control in place to safely direct motorists around works.

General information

The Australian Government has committed \$1.95 billion to upgrade the existing Ipswich Motorway between Dinmore and Goodna to improve traffic flow, safety and reliability for motorists. The upgrade includes the widening of the Ipswich Motorway to a minimum of six lanes and construction of new service roads to improve local access.

The Ipswich Motorway Upgrade: Dinmore to Goodna project is being delivered by Origin Alliance, comprising the Department of Transport and Main Roads, Abigroup Contractors, Fulton Hogan, Seymour Whyte Constructions, SMEC Australia and Parsons Brinckerhoff.

Construction work will generally be carried out between the hours of 6 am and 6 pm, Monday to Saturday. Residents will be notified of any work undertaken outside these hours.

All works are subject to weather and construction conditions.
