Traffic may also be reduced at the Mine Street interchange while bridge works are underway.	Mine Street – end July 2011 Mine Street interchange – late 2011
Mine Street off-ramp	Night works are underway along the Mine Street off-ramp. Works will occur intermittently between Sundays and Thursdays.	end of June 2011
Brisbane Road, Riverview	Traffic control will be in place to direct traffic accessing Brisbane Road between Tessman and Esther Streets. Pedestrian access between Brisbane Road and Tessman Street may be detoured at times. Construction of the southern service road on Brisbane Road, between Duncan and Ipswich Streets, is underway. Access to this section of Brisbane Road is closed to all traffic (except for residents). Traffic control is in place and motorists are asked to use Nile Street during these works.	end August 2011 Mid-September

Ongoing work cont

Where	What	Completed by
Endeavour Road connection, Riverview	Traffic will be reduced to one lane under traffic control on occasions while bridge works are underway.	July 2011
Dossie Lane, Dinmore	Dossie Lane is closed to traffic and Dossie Street is a cul-de-sac at the end that joins Dossie Lane.	September 2011
Dinmore Park	<p>Pedestrian access to the Dinmore Train Station is being detoured around the park with temporary traffic management in place.</p> <p>Entry to the Dinmore Train Station car park is via Brisbane Road with the exit only via River Road, Dinmore.</p>	<p>Dinmore Park – November 2011</p> <p>Dinmore Train Station carpark – August 2011</p>

General information

The Australian Government has committed \$1.95 billion to upgrade the existing Ipswich Motorway between Dinmore and Goodna to relieve traffic congestion and improve safety and reliability for motorists. The Ipswich Motorway Upgrade: Dinmore to Goodna project is being delivered by Origin Alliance, comprising the Department of Transport and Main Roads, Abigroup Contractors, Fulton Hogan, Seymour Whyte Constructions, SMEC Australia and Parsons Brinckerhoff. The upgrade includes the widening of the Ipswich Motorway to a minimum of six lanes and construction of new service roads to improve local access.

Construction work will generally be carried out between the hours of 6.30 am and 6.30 pm, Monday to Saturday. Residents will be notified of any work undertaken outside these hours.

All works are subject to weather and construction conditions.

General information

The Australian Government has committed \$1.95 billion to upgrade the existing Ipswich Motorway between Dinmore and Goodna to relieve traffic congestion and improve safety and reliability for motorists. The Ipswich Motorway Upgrade: Dinmore to Goodna project is being delivered by Origin Alliance, comprising the Department of Transport and Main Roads, Abigroup Contractors, Fulton Hogan, Seymour Whyte Constructions, SMEC Australia and Parsons Brinckerhoff. The upgrade includes the widening of the Ipswich Motorway to a minimum of six lanes and construction of new service roads to improve local access.

Construction work will generally be carried out between the hours of 6.30 am and 6.30 pm, Monday to Saturday. Residents will be notified of any work undertaken outside these hours.

All works are subject to weather and construction conditions.
