

## Temporary traffic changes: Mine Street, Redbank

Works are continuing on the construction of the Mine Street interchange at Redbank. To complete the final road alignment under the motorway bridges, weekend works are required.

These works will be undertaken during the following times:

- **8 pm Friday 21 October to  
5 am Monday 24 October 2011**
- **8 pm Friday 4 November to  
5 am Monday 7 November 2011**
- **8 pm Friday 11 November to  
5 am Monday 14 November 2011  
(contingency only).**

During these works, traffic around the Mine Street interchange will be reduced to one lane in each direction.

Heavy vehicles will be unable to turn right from the eastbound off-ramp under the Mine Street bridges and will be detoured to the Formation Street exit from the Logan Motorway. Woodford Way will also be closed to heavy vehicles.

The Mine Street signalised interchange will be switched off during these works with traffic control in place to direct motorists.

Motorists accessing Goodna via the Mine Street off-ramp (Brisbane bound) will be encouraged to use Brisbane Terrace. Access from the south side of the motorway will be via Smiths Road as normal.

We thank you for your ongoing cooperation and patience and advise you to seek alternative routes during these important works.

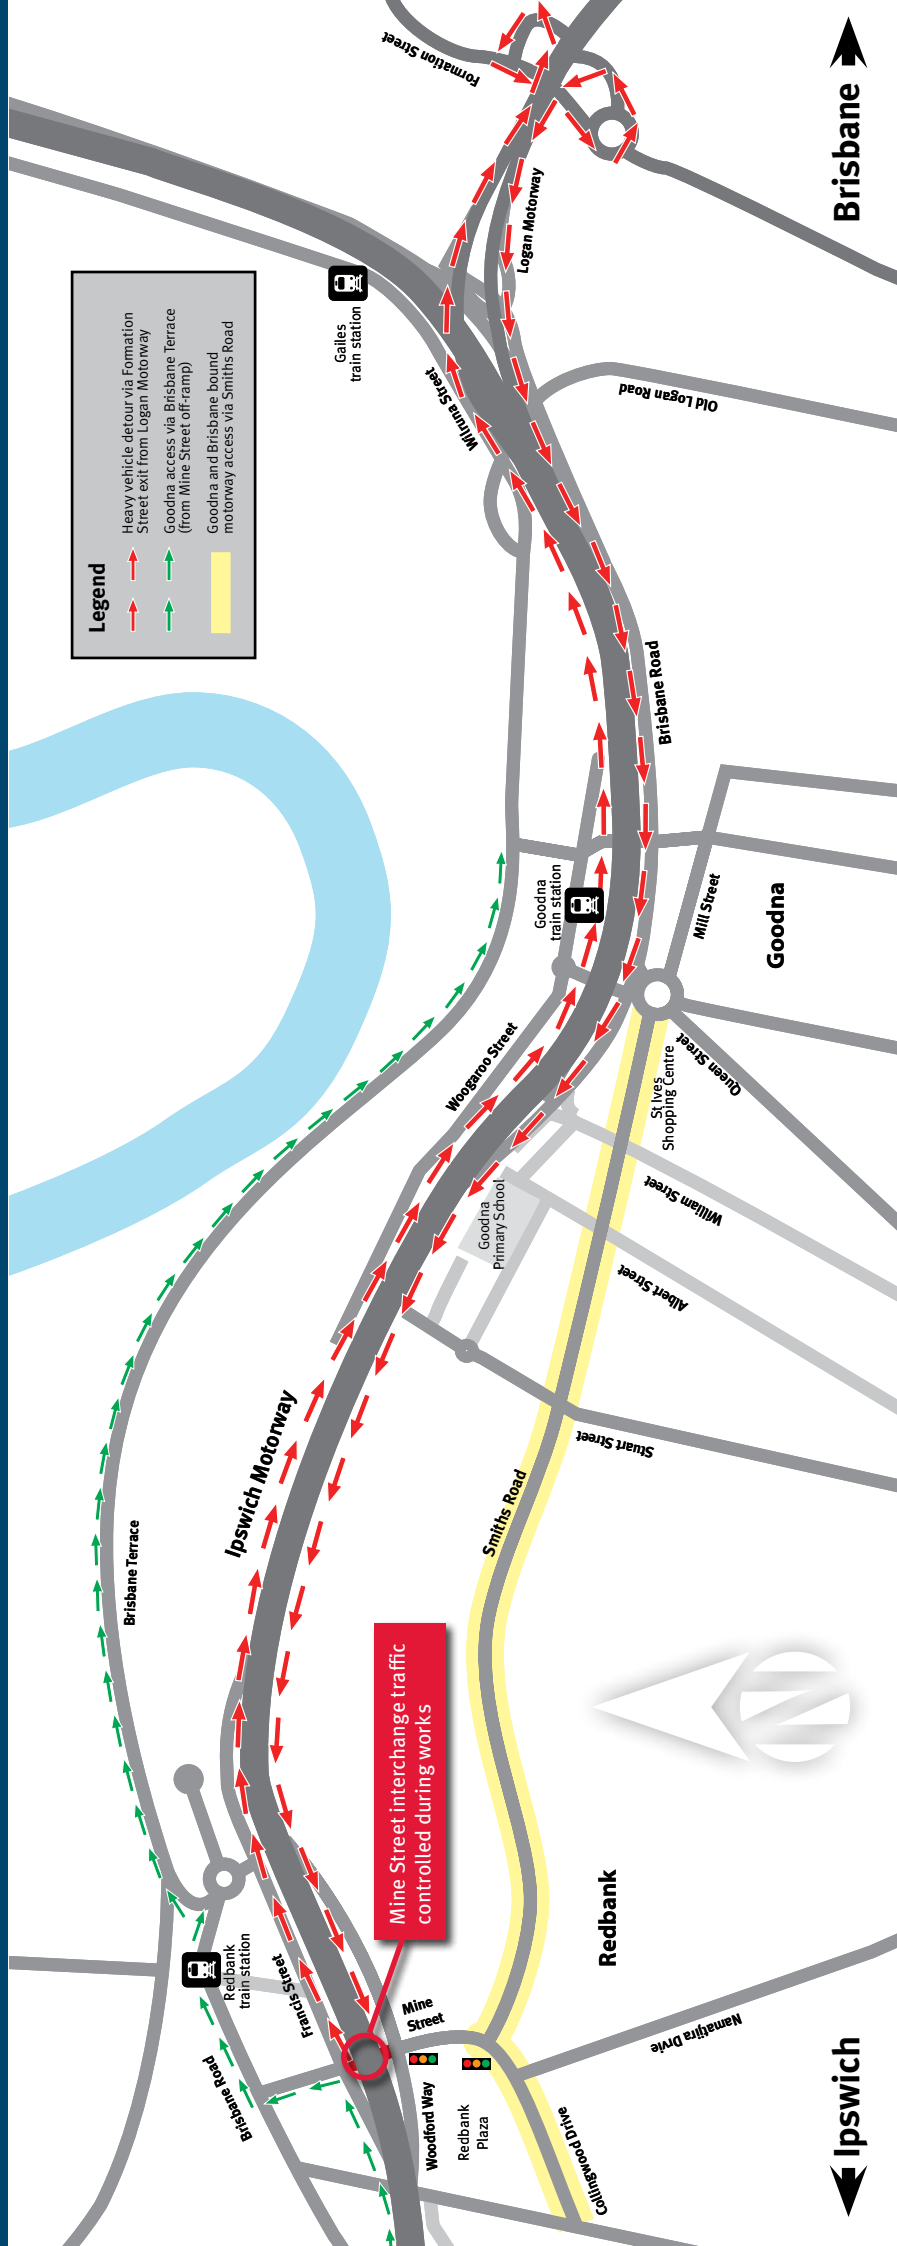

**Works are subject to weather and construction conditions.**

*Ipswich Motorway passes over Mine Street, Redbank.*
