Ipswich Motorway Upgrade: Dinmore to Goodna

Temporary motorway diversion – Gailes to Redbank

The Department of Transport and Main Roads is upgrading the Ipswich Motorway between Dinmore and Goodna and has formed Origin Alliance to deliver this project.

To safely install an overhead gantry on the Ipswich Motorway at Redbank, traffic changes will be in place between Gailes and Redbank for Ipswich bound motorists.

Traffic on the Ipswich Motorway and the Logan Motorway (Ipswich bound) will be diverted temporarily along Brisbane Road between Gailes and Goodna, on to Smiths Road and back onto the motorway at Mine Street, Redbank during the following times:

- **11.30pm Monday 7 March to 4.30am Tuesday 8 March 2011**
- **11.30pm Tuesday 8 March to 4.30am Wednesday 9 March 2011 (contingency only)**

Heavy vehicles will be directed to use the Centenary Highway.

Access to properties along this detour will be maintained, however residents are asked to be patient and take care when exiting their property.

Detour signage will be in place to direct traffic.
All works are subject to weather and construction conditions.
We thank you for your cooperation and patience during these important works.
Please slow down – roadwork safety is your responsibility too.
