

Ipswich Motorway Upgrade: Dinmore to Goodna

Saturday 1 October – Friday 7 October 2011

Weekly project update

Motorists travelling on the Warrego Highway towards Brisbane will be moved onto the new eastbound bridge from next Tuesday. The traffic switch allows the project to complete works in the area of the Warrego Highway and Ipswich Motorway merge.

From early 2012, completion works on the Warrego Highway will mean two lanes of traffic will travel on both the westbound and eastbound bridges.

For more information on the works below, please contact the Community Engagement Team on 1800 465 682.

Construction in the Goodna area is progressing well

New work

Goodna

Logan Motorway off-ramp (Brisbane bound)	The Logan Motorway exit from the Ipswich Motorway (Brisbane bound) will be closed between 8 pm and 5 am nightly from Monday 3 October through to Friday 7 October 2011 to facilitate asphalt works. Detour via Progress Road at Wacol.
Southern service road between Bertha and Church Streets	The southern service road between Bertha and Church Streets will be closed for electrical works between 8 pm and 5 am nightly from Tuesday 4 October to Thursday 6 October 2011 . A detour will be in place via Mill Street.
Goodna Train Station pedestrian bridge lift	The lift on the southern side of the Goodna Train Station pedestrian bridge will be closed for maintenance on Tuesday 4 October 2011 between 8.30 am and 4 pm . Alternative access is available for disabled persons by phoning the project hotline.

Redbank

Mine Street underpass	Night works are required at the Mine Street underpass to install conduits and undertake painting. Works will occur between 7 pm and 5 am nightly from Sunday 2 October to Thursday 6 October 2011 . During these works, Francis Street will be closed with motorists diverted via Mine Street and Brisbane Road. Access through the Mine Street underpass will be maintained with traffic control in place to safely direct motorists around works.

Australian Government

Nation Building Program

Queensland Government

Mine Street pedestrian detour	From Wednesday 5 October for approximately 6 weeks , pedestrian access will change at the Mine Street underpass. The current crossing to access Woodford Way will temporarily close. Pedestrians will be diverted via Mine Street and the Smiths Road signalised intersection.
-------------------------------	---

Dinmore

Warrego Highway	Between 8 pm on Monday 3 October and 5 am on Tuesday 4 October 2011 , works will be undertaken to realign traffic onto the new Warrego Highway Bridge (eastbound). Motorists travelling towards Brisbane during this time will be diverted via River Road, Dinmore.
Cunningham Highway	To enable upgrade works to continue on the Cunningham Highway in Dinmore, a traffic switch is required to realign the eastbound lanes of the highway next to the westbound lanes. The switch will occur from 8 pm Thursday 6 October to 5 am Friday 7 October 2011 with motorists diverted safely around works. Motorists travelling from the Ipswich Motorway (Ipswich bound) towards the Cunningham Highway (westbound) will be diverted via Brisbane Road and Aberdare Street. Motorists wishing to access the Ipswich Motorway (Brisbane bound) from the Cunningham Highway (eastbound) will be diverted via the Aberdare Street off-ramp and Brisbane Road.

Ongoing work

General information

The Australian Government has committed \$1.95 billion to upgrade the existing Ipswich Motorway between Dinmore and Goodna to improve traffic flow, safety and reliability for motorists. The upgrade includes the widening of the Ipswich Motorway to a minimum of six lanes and construction of new service roads to improve local access.

The Ipswich Motorway Upgrade: Dinmore to Goodna project is being delivered by Origin Alliance, comprising the Department of Transport and Main Roads, Abigroup Contractors, Fulton Hogan, Seymour Whyte Constructions, SMEC Australia and Parsons Brinckerhoff.

Construction work will generally be carried out between the hours of 6 am and 6 pm, Monday to Saturday. Residents will be notified of any work undertaken outside these hours.

All works are subject to weather and construction conditions.
