

Ipswich Motorway Upgrade: Dinmore to Goodna

Saturday 12 – Friday 18 February 2011

Weekly Project Update

During this coming week, Origin Alliance will move Ipswich bound traffic onto the new bridge that forms part of the Endeavour Road connection at Riverview.

With traffic on the new bridge, works will begin on construction of the second part of the connection. In mid this year, the connection will be complete and open to motorists and pedestrians who wish to cross from one side of Riverview to the other.

To facilitate these works, Endeavour Road traffic between the railway line and McEwan Street will be realigned to the western side until the end of February.
