General information

The Australian Government has committed \$1.95 billion to upgrade the existing Ipswich Motorway between Dinmore and Goodna to relieve traffic congestion and improve safety and reliability for motorists. The Ipswich Motorway Upgrade: Dinmore to Goodna project is being delivered by Origin Alliance, comprising the Department of Transport and Main Roads, Abigroup Contractors, Fulton Hogan, Seymour Whyte Constructions, SMEC Australia and Parsons Brinckerhoff. The upgrade includes the widening of the Ipswich Motorway to a minimum of six lanes and construction of new service roads to improve local access.

Construction work will generally be carried out between the hours of 6.30 am and 6.30 pm, Monday to Saturday. Residents will be notified of any work undertaken outside these hours.

All works are subject to weather and construction conditions.
