

# Gateway Upgrade South and South East Busway extension

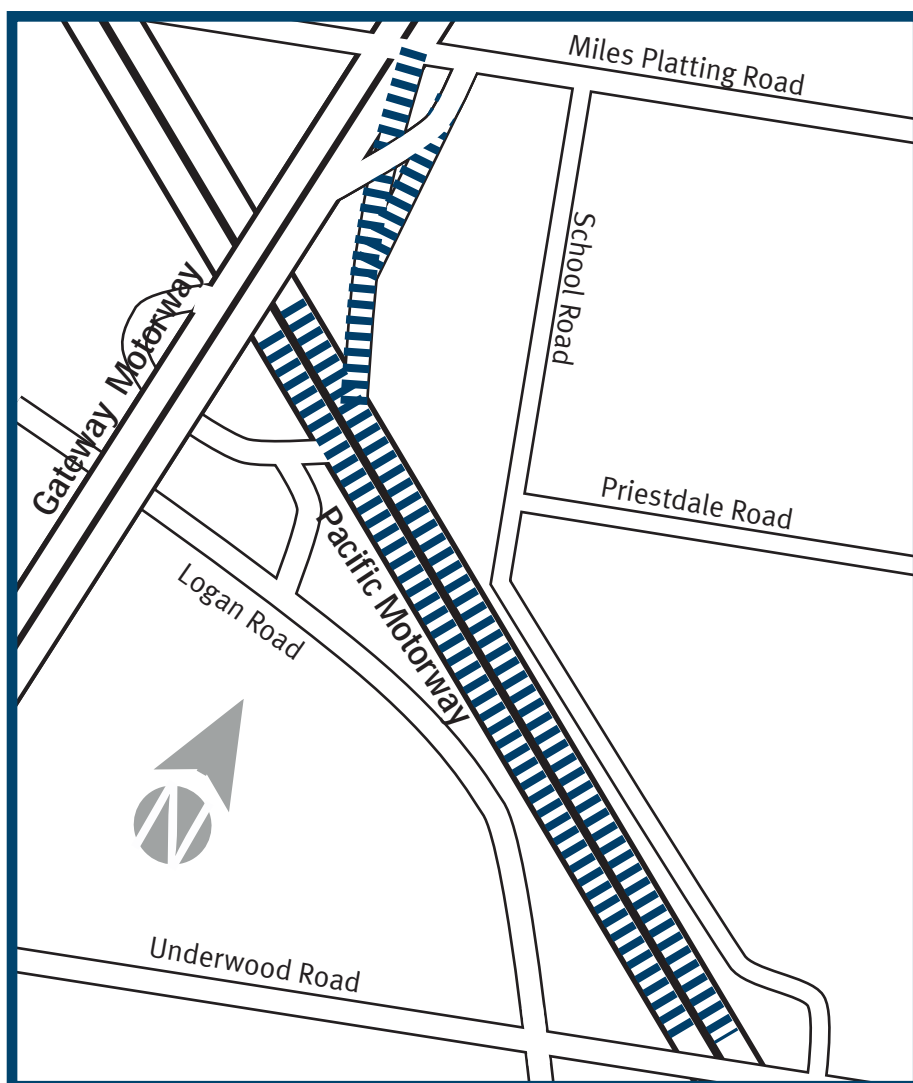

## Nightworks - Pacific Motorway, Rochedale

We wish to advise that nightworks will be required to complete asphaltting, line marking and median works on the Pacific Motorway, Rochedale, as part of the Gateway Upgrade South and South East Busway extension. Works will be undertaken on weeknights between 8:00pm and 5:00am from Thursday 30 January to late February, 2014, weather permitting. These works will require reduced speeds and lane closures through the work zone. Short delays are expected.

### What to expect during these works:

- Traffic controls and detour signage will be in place to guide motorists.
- Traffic controls will be in place to guide motorists.
- The speed limit will be reduced to 40km/hr during works hours to ensure the safety of motorists and road workers.
- Minor changes will be made to the Pacific Motorway southbound alignment during these works. Drivers are reminded to be aware of changing conditions.
- Some noise and lights associated with construction vehicles and equipment.

Every effort will be made to keep disruptions to a minimum.
