

Mackay Ring Road – Stage 2 (10-15 years)

Legend

- Mackay Ring Road Stage 2: 10-15 years
- Mackay Ring Road Stage 1: 5-10 years
- Cane Rail & Sidings
- Port Rail Line
- Other Projects
- New Bridge

Key features:

- 8.2km two-lane highway from Bruce Highway North Intersection to Harbour Road Intersection
- 80km/hr speed limit
- Connections at Glenella-Richmond Road, Valley Street and Harbour Road
- Connects northern suburbs to Paget Industrial Area and mining areas to the west
- Strategic connection between the Port, Racecourse Mill and the mines

Key benefits:

- Improves connectivity between homes and jobs
- Remove all signalised intersections between the Port and Peak Downs Highway

Regional Infrastructure Fund
