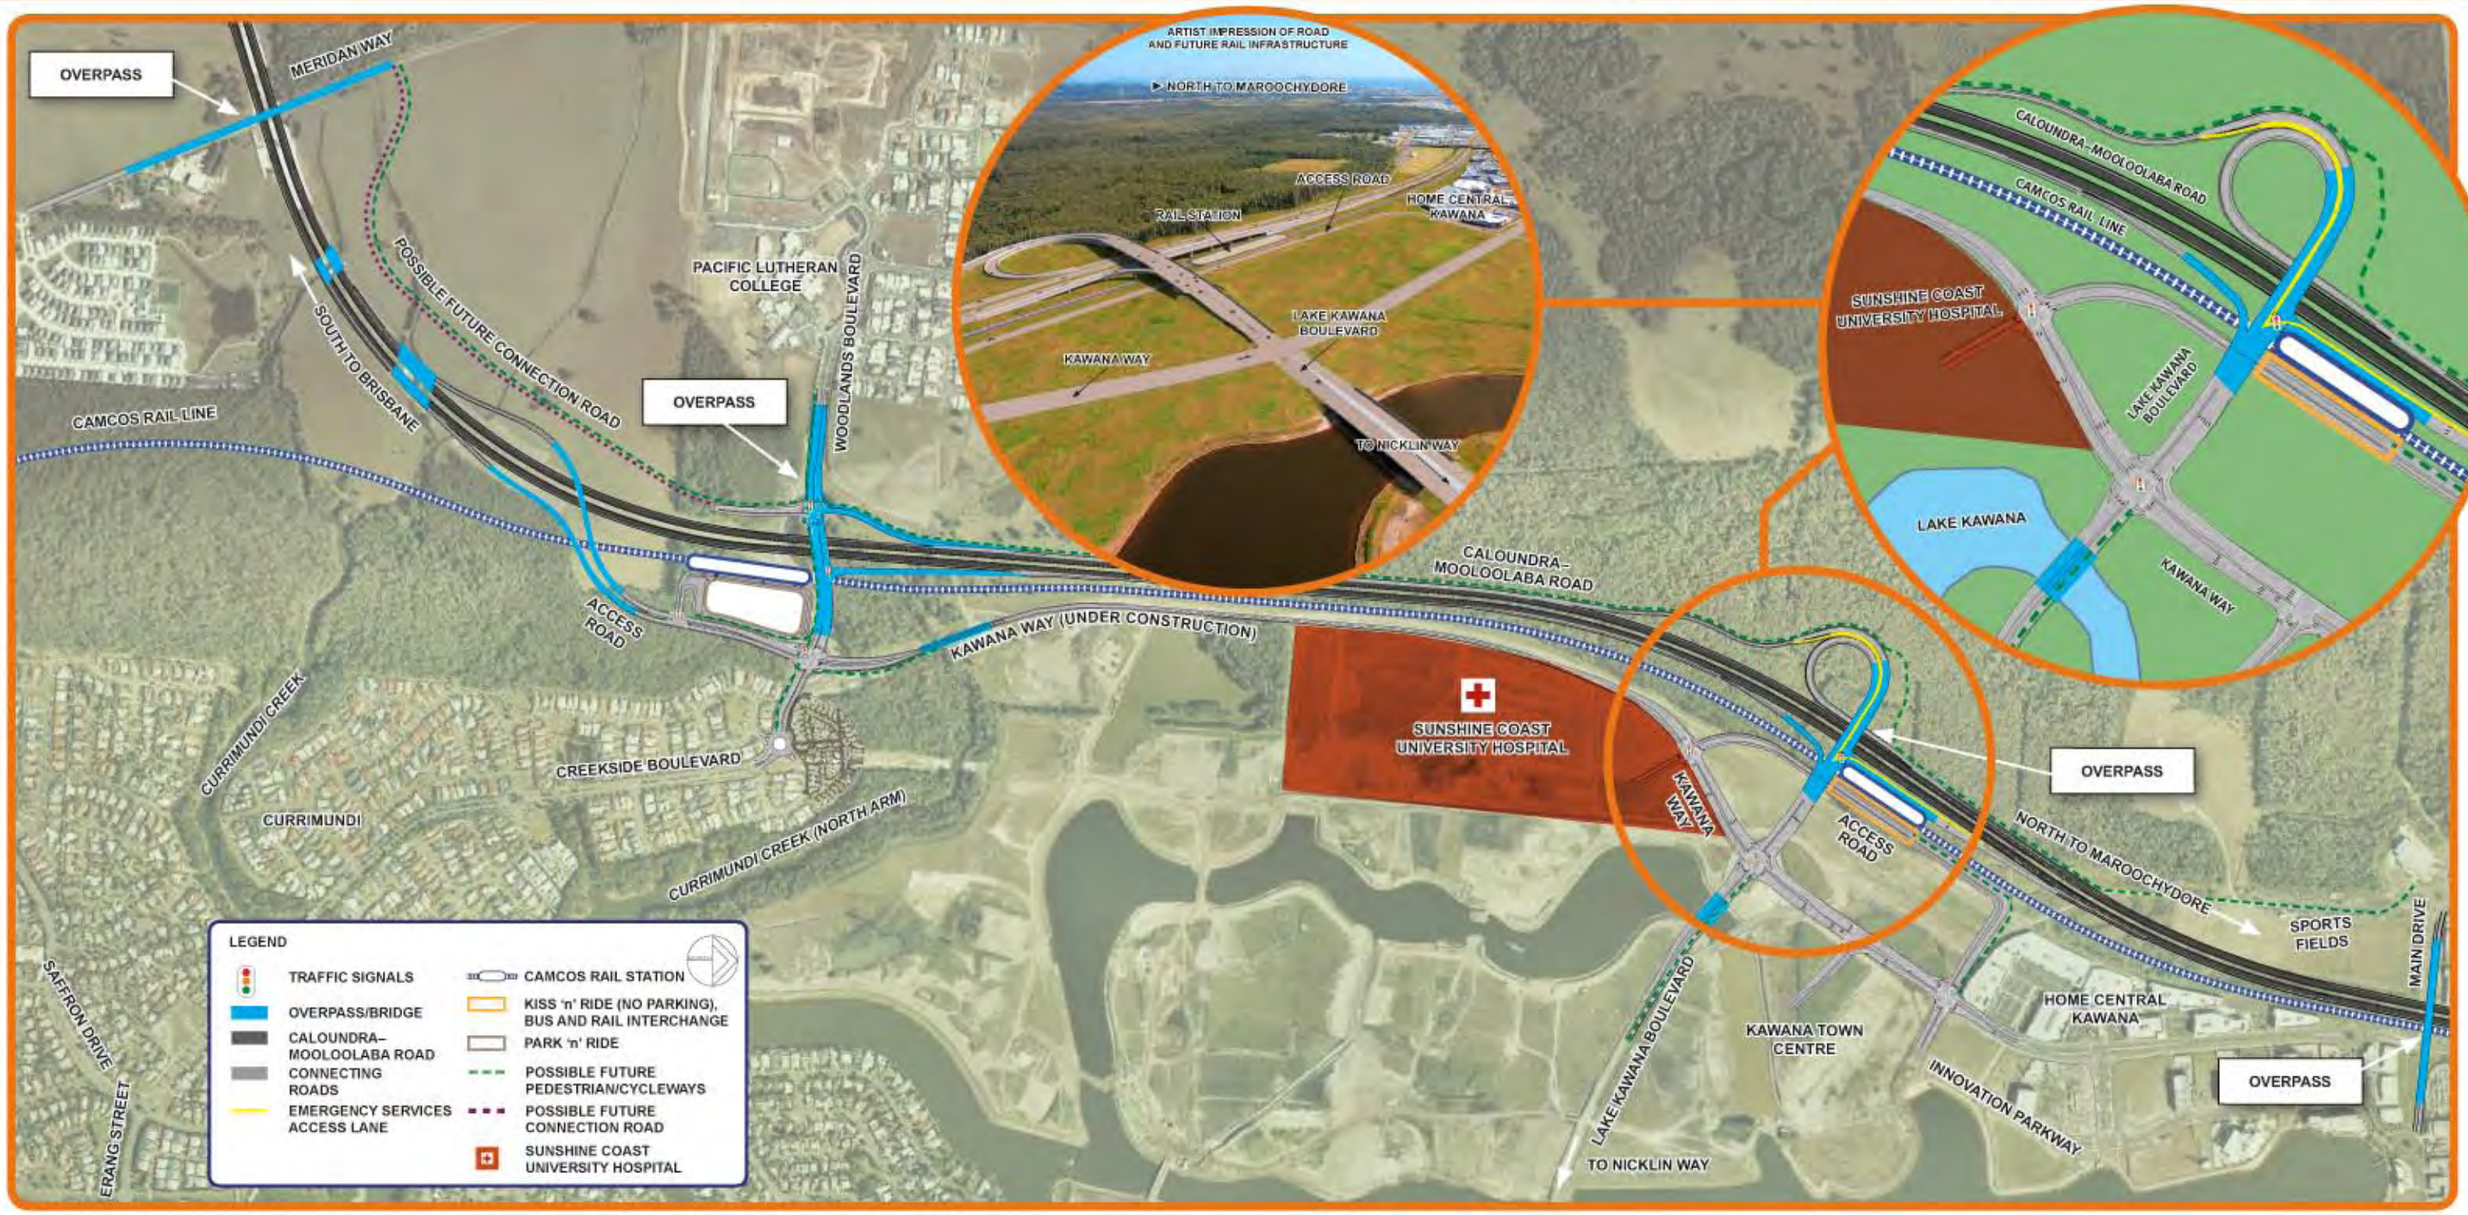
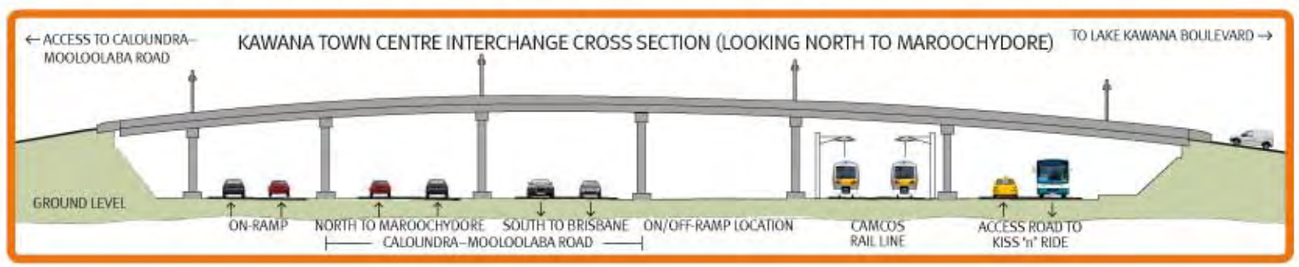
November 2008

Kawana Town Centre Interchange draft layout





Key features of the Kawana Town Centre Interchange draft layout

The Kawana Town Centre Interchange will provide:

- safe, motorway-standard connections to Kawana Town Centre and Lake Kawana Boulevard
- direct connection to Nicklin Way via Lake Kawana Boulevard
- priority access to Sunshine Coast University Hospital for emergency services
- access to Kawana Town Centre Rail Station, bus connections and dedicated Kiss 'n' Ride facilities
- pedestrian pathways and cycleway access to the rail station
- connection options to possible future cycleway links along Kawana Way.
