

Mackay/Whitsunday region Reconstruction update – November 2012

In addition to ongoing Department of Transport and Main Roads works, reconstruction works are underway across the Mackay/Whitsunday region as part of Operation Queensland.

Delays of up to 15 minutes can be expected at each site and motorists should plan their journey accordingly.

Work will take place between 6am and 6pm up to seven days per week with some out-of-hours work also possible.

Motorist should drive to the changed conditions and obey all signage for their own safety and the safety of roadworkers.

Width and mass restrictions are in place while these works are being undertaken. Transport operators should check the Conditions of Operation database prior to travel.

Operation Queensland is funded under the joint federal and state government's Natural Disaster Relief and Recovery Arrangements (NDRRA).

Under these arrangements, the Australian Government provides 75% of the funding, with 25% from the Queensland Government.

Roadworks are happening across the region and motorists are asked to check www.131940.qld.gov.au or call **13 19 40** before travelling.

For further information call **1300 736 754***. For email updates please register at reconstruct_mackay@tmr.qld.gov.au.

*Cost of a local call. Higher call charges apply from mobile phones or payphones.
