

Temporary traffic changes – Redbank

To safely install beams for the new Brisbane bound bridge at Mine Street, temporary traffic changes will be in place for motorists and pedestrians using the Mine Street underpass.

The Mine Street underpass will be closed nightly in both directions to motorists and pedestrians from:

- 7 pm Saturday 6 August to 5 am Sunday 7 August 2011
- 7 pm Sunday 7 August to 5 am Monday 8 August 2011.

Motorists will be detoured via Smiths Road and Brisbane Terrace. Pedestrians will be diverted to the Law Street pedestrian bridge. Detour signage will be in place (see map on reverse).

During these times, Brisbane bound traffic on the Ipswich Motorway will be diverted off the Mine Street exit at Redbank and back onto the motorway via Francis Street, Redbank.

All works are subject to weather and construction conditions.
