

Transport and Main Roads

Traffic changes on the Ipswich Motorway

Major works are being undertaken on the Ipswich Motorway between Redbank and Wacol. These works include:

- installation of gantries from Gables to Wacol
- civil works associated with gantry installation.

Traffic on the Ipswich Motorway (Brisbane bound) will be diverted temporarily off the motorway at Brisbane Road, Redbank during the following times:

- **7.00pm Sunday 23 to 5.00am Monday 24 May**
closed between Logan Motorway and Progress Road only
- **7.00pm Monday 24 to 5.00am Tuesday 25 May**
- **7.00pm Tuesday 25 to 5.00am Wednesday 26 May**
- **7.00pm Wednesday 26 to 5.00am Thursday 27 May**
- **7:00pm Thursday 27 to 5:00am Friday 28 May** *(due to wet weather)*

Brisbane bound traffic will follow the diversion from Brisbane Road, Redbank through to Brisbane Terrace, Goodna (please refer to the detour map below). Traffic on the Ipswich Motorway (Ipswich bound) will be reduced to one lane during these periods.

Exit Ipswich Motorway at Brisbane Road, Redbank

Bridge Street on-ramp closed

Mine Street on-ramp closed

Church Street on-ramp closed

Merge with Ipswich Motorway at Progress Road Interchange

Please slow down – roadwork safety is your responsibility too.

These works require the closure of the Mine Street, Bridge Street and Church Street on-ramps to the motorway (eastbound) and traffic will be detoured to Brisbane Road or Brisbane Terrace at these times.

Two Ipswich Motorway project teams are coordinating these works within a short timeframe to minimise impacts to motorists and further detours. Detour signage will be in place to direct traffic. **All works are subject to weather and construction conditions.** We thank you for your patience during the construction period.
