

Major traffic change – Riverview

Tessman Street (Ipswich bound) off-ramp permanent closure

The Department of Transport and Main Roads is upgrading the Ipswich Motorway between Dinmore and Goodna and has formed Origin Alliance to deliver this project.

From Friday 14 January 2011, the Tessman Street off-ramp from the Ipswich Motorway (Ipswich bound) will permanently close and the southern roundabout will be removed.

Motorists wishing to access Riverview will need to use the alternative routes including via Old Ipswich Road, Aberdare Street or Riverview Road (see map on reverse). Detour signage will be in place to direct traffic. Access across the Tessman Street overpass will continue to be maintained for both vehicles and pedestrians.

The permanent closure of the Tessman Street off-ramp will allow works to continue on the southern service road between Six Mile Creek and Tessman Street. These works form part of the overall Ipswich Motorway upgrade to reduce congestion, improve safety and provide better access between local areas.

Additionally, a traffic switch will also occur at this time. Ipswich bound traffic will be realigned onto the new bridge over Six Mile Creek at Redbank and onto the new bridge forming part of the Endeavour Road connection at Riverview.

All works are subject to weather and construction conditions.

We thank you for your patience during the construction period.

Please slow down – roadwork safety is your responsibility too.
