

### **A transport system providing access to employment, education and services**

- Commenced replacement of old timber bridge over Wilkie Creek on Dalby-Kogan Road with a new concrete bridge.
- Completed replacement of old timber bridge and its approaches over MacIntyre River on Talwood-Boonanga Road, south of Talwood, with a new concrete bridge.

### **Transport-related impacts on natural, cultural and built environments managed**

- Continued to develop road construction and maintenance practices to:
  - maintain biodiversity through reduced clearing, weed control and replanting
  - minimise land degradation
  - minimise noise and vibration
  - maximise the re-use of materials, including salvaged timber components from replacement bridge projects, for repairs on existing bridges.
