

Ipswich Motorway Upgrade: Dinmore to Goodna

Saturday 9–Friday 15 April 2011

Weekly project update

The new Endeavour Road connection is scheduled to be open by mid-April. This will be a permanent north-south connection for Riverview residents.

From early May, the existing Tessman Street overpass and the Brisbane-bound on-ramp to the Ipswich Motorway at Riverview will close permanently.

More information on these changes can be found in the attached flyer.

The Endeavour Road connection at Riverview is taking shape.

New work proposed

Goodna

Ipswich Motorway	<p>To safely install bridge girders on the Ipswich Motorway at Goodna, Ipswich-bound traffic from the Logan and Ipswich Motorways will be diverted temporarily between Gailes and Goodna during the following times:</p> <ul style="list-style-type: none"> • 8 pm Saturday 9 April to 5 am Sunday 10 April • 8 pm Sunday 10 April to 4.30 am Monday 11 April • 8 pm Monday 11 April to 4.30 am Tuesday 12 April (contingency only). <p>Detour signage will be in place.</p>
------------------	--

Redbank

Ipswich Motorway	<p>From midnight Friday 8 April, the Ipswich bound lanes of the Ipswich Motorway at Redbank will be briefly closed to facilitate the installation of an overhead gantry. Delays of up to fifteen minutes are expected.</p> <p>Works will take place between 8 pm Saturday 9 April and 5 am Sunday 9 April to move Brisbane-bound traffic onto a permanent section of motorway between Mine Street, Redbank and Stuart Street, Goodna.</p> <p>The Francis Street on-ramp arrangements to the motorway will change from Sunday 10 April. Please pay attention to signage.</p> <p>Access to the Shell Service Station will no longer be from the motorway from Sunday 10 April. Alternative arrangements will be in place.</p>
------------------	---

Australian Government

Nation Building Program

Riverview

Endeavour Road connection	For the safety of motorists and onsite workers, night works are required to complete the bridge over the Endeavour Road connection. Works will be undertaken between 8 pm and 5 am nightly from Sunday 11 to Thursday 14 April 2011 . Residents may experience an increase in noise levels during this work.
---------------------------	---

Dinmore

Warrego Highway / River Road	<p>Night works will be undertaken to realign traffic onto the newly completed westbound Warrego Highway Bridge and to commence the demolition of the existing Warrego Highway Bridge.</p> <p>These night works require diversions via River Road for the safety of motorists and on-site workers. Diversions will occur at the following times:</p> <ul style="list-style-type: none">• 8 pm Sunday 10 April to 5 am Monday 11 April• 8 pm Wednesday 13 April to 5 am Thursday 14 April. <p>In case of wet weather or construction delays, contingency diversions may occur from:</p> <ul style="list-style-type: none">• 8 pm Monday 11 April to 5 am Tuesday 12 April• 8 pm Thursday 14 April to 5 am Friday 15 April. <p>Temporary traffic management will be in place for the duration of the diversions.</p>
Queensland Rail train lines just east of the Dinmore Train Station.	Critical day and night works are required to complete the installation of drainage across the Queensland Rail train lines in Dinmore. Due to safety reasons, works will be undertaken during a shutdown of the rail lines and will commence from 12am Thursday 14 April and will continue through to 5am Monday 18 April . Residents may experience an increase in noise levels during this work.
Warrego Highway	For the safety of motorists and onsite workers, night works are required to remove concrete barriers next to the Warrego Highway. Works will be undertaken between 8 pm and 5 am nightly from Sunday 11 to Thursday 14 April 2011 . Residents may experience an increase in noise levels during this work.

Ongoing work

Goodna

Church Street underpass	Works are continuing at the Church Street underpass, with one way traffic access from Queen Street. A long-term diversion is in place via the Bertha Street underpass for traffic travelling from north to south across the motorway.
-------------------------	---

Goodna Train Station pedestrian bridge	Works are continuing to complete the new pedestrian bridge and are ongoing in the car park. Origin Alliance is working hard to ensure the lift is operational as soon as possible, but due to current high demand the relevant parts will not be available until late May.
Brisbane Road	Works are continuing along the length of Brisbane Road from the BP service station to the Goodna westbound on-ramp with the construction of retaining walls for the motorway upgrade.
Smiths Road	Finishing works on Smiths Road extension are continuing and will be complete by early May 2011.

Redbank

Mine Street	Night works are continuing in preparation for the removal of the old Mine Street bridges. These works require the Mine Street underpass to be reduced to one lane each way at night. This current arrangement will be in place intermittently until Easter.
Monash Road	Works are ongoing on the Monash Road connection. Installation of girders for the bridge will take place on the weekend of 16 and 17 April. Further works are expected to occur intermittently in this area until late 2011.

Riverview

Brisbane Road	A small section of Brisbane Road (near Tessman Street) is now closed to motorists (until early 2012). Vehicles will be detoured to Ipswich Street. Pedestrian access will be maintained, however at times may be detoured to Ipswich Street.
Local streets	Finishing works are ongoing on Endeavour Road, McEwan Street, Verrall Street and Moggill Ferry Road and will continue until late April 2011.
Endeavour Road connection	Construction of the retaining walls either side of the new Endeavour Road connection (Esther Street side) is underway and will continue until approximately May 2011.

Dinmore

Dossie Street	Dossie Lane has been closed to traffic and Dossie Street is now a cul-de-sac at the end that joins Dossie Lane. This arrangement will be in place until approximately June 2011.
Dinmore Park	Works are continuing on the new bridge in Dinmore Park. For the duration of these works, pedestrian access to the Dinmore Train Station will be detoured around the park with temporary traffic management in place. These works will continue until approximately November 2011.

General information

The Australian Government has committed \$1.95 billion to upgrade the existing Ipswich Motorway between Dinmore and Goodna to relieve traffic congestion and improve safety and reliability for motorists. The Ipswich Motorway Upgrade: Dinmore to Goodna project is being delivered by Origin Alliance, comprising the Department of Transport and Main Roads, Abigroup Contractors, Fulton Hogan, Seymour Whyte Constructions, SMEC Australia and Parsons Brinckerhoff. The upgrade includes the widening of the Ipswich Motorway to a minimum of six lanes and construction of new service roads to improve local access.

Construction work will generally be carried out between the hours of 6am and 6pm, Monday to Saturday. Residents will be notified of any work undertaken outside these hours.

All works are subject to weather and construction conditions.
