

Major changes to the Warrego Highway and Brisbane Road exits from the Ipswich Motorway (Ipswich bound)

The Department of Transport and Main Roads is continuing to upgrade the connections between the Warrego and Cunningham Highways as part of the Ipswich Motorway upgrade. We thank you for your patience and understanding during these important works.

From 10 July 2011, major changes will occur in the Dinmore section of the upgrade for motorists travelling from the Ipswich Motorway (Ipswich bound) to Brisbane Road or to the Warrego Highway (westbound).

Changes include:

- Access to the Warrego Highway exit will be via the left lane.
- Access to the Ipswich exit (Brisbane Road) will also be via the left lane.
- Access to the Cunningham Highway (westbound) will be via the right lane.

Motorists are asked to drive carefully and pay attention to directional signage.

Works are subject to weather and construction conditions.

Access to the Cunningham Highway (westbound) will be via the right lane

Access to the Warrego Highway exit via left lane

Access to the Ipswich (Brisbane Road) exit via left lane
