

Permanent closure of Riverview (Ipswich bound) off-ramp

Due to recent flood events, the permanent closure of the Riverview (Tessman Street / Moggill Ferry) off-ramp from the Ipswich Motorway (Ipswich bound) was postponed.

The closure is now scheduled for mid February 2011. The Riverview (Ipswich bound) off-ramp will close permanently and the southern roundabout will be removed. Access over the Tessman Street bridge will continue to be maintained for both vehicles and pedestrians.

Motorists wishing to access Riverview will need to use alternative routes, including via Old Ipswich Road and Aberdare Street (for southern Riverview) or via the Warrego Highway and Riverview Road (for northern Riverview including the Riverview Recycling and Refuse Centre and the Moggill Ferry). Detour signage will be in place to direct traffic.

The permanent closure of the Riverview (Ipswich bound) off-ramp allows work to continue on the southern service road between Six Mile Creek and Tessman Street.

All works are subject to weather and construction conditions. We thank you for your patience during the construction period.

Please slow down – roadwork safety is your responsibility too.
