

# Stapylton-Jacobs Well Road – Behm Creek Bridge

## Temporary road closure

June 2016

Stapylton-Jacobs Well Road at Behms Creek will be closed to all traffic on Wednesday 22 June and Thursday 23 June 2016 between 9am and 2.30pm.

This closure is to allow infrastructure for the temporary Behm Creek Bridge to be installed.

Short duration road closures of up to one hour will also be required from Monday 20 to Thursday 30 June, 2016 to allow materials and bridge components to be lifted into place.

### What to expect:

- Full closure of Stapylton-Jacobs Well Road at Behm Creek on Wednesday 22 and Thursday 23 June between 9am and 2.30pm
- Short duration road closures of up to one hour from Monday 20 to Thursday 30 June.
- Electronic signs and traffic alerts will advise of these short duration road closures and delays.
- Detours will be in place around the work site.
- Contractors will be working from 6am on Wednesday 22 June and Thursday 23 June to allow time for cranes to be set up.
- Weather and site conditions may impact this schedule.

The department will continue to work closely with key stakeholders and the local community to plan and coordinate construction activities to minimise disruption as much as possible.

### For more information:

For more information about this project visit [www.tmr.qld.gov.au](http://www.tmr.qld.gov.au).

During construction the project team will make every effort to minimise disruption, however traffic congestion and delays should be expected.
