

Update on Bruce Highway upgrades

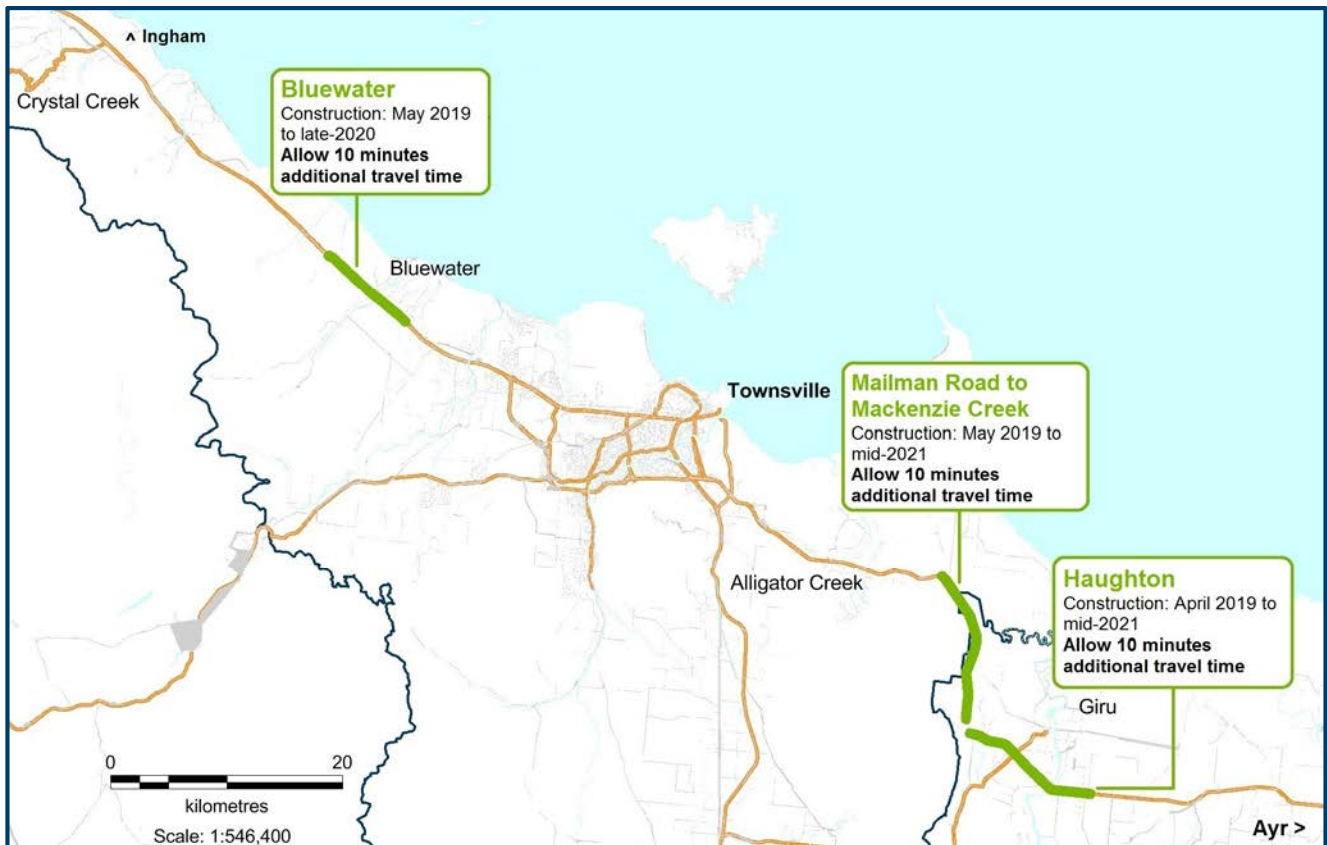

July – September 2019

The Department of Transport and Main Roads' (TMR) Northern District has commenced several Bruce Highway safety and flood immunity projects between Ayr and Ingham.

To assist motorists to plan their travels and potentially seek alternative routes, this map shows work locations and provides estimated travel delays (weather and construction conditions permitting).

Motorists are advised to check the latest road conditions before travelling, using the QLD*Traffic* service, available:

- by telephone on 13 19 40
- online at www.QLDTraffic.qld.gov.au or
- through the free QLD*Traffic* smartphone app, available from the iTunes and Google Play stores.

For more information on these projects contact:

Customer and Stakeholder Management, TMR Northern District office

Phone: 1800 625 648 Email: engagement.northern@tmr.qld.gov.au Website: www.tmr.qld.gov.au

**Free call from anywhere in Australia. Call charges apply for calls from mobile phones and payphones*
