

# Bruce Highway Upgrade

Caloundra Road to Sunshine Motorway

## Northern works zone

### Traffic changes at Sippy Creek Road and Parkyn Road, Tanawha

Construction notice

July 2018

Ref: CN30

As part of the Bruce Highway Upgrade – Caloundra Road to Sunshine Motorway, a portion of Sippy Creek Road, Tanawha, is being upgraded with the construction of a new intersection and local access road for businesses and residents in the area.

From Friday 27 July 2018, changed traffic conditions will be in effect following the opening of the new intersection with the local access road, to be known as Parkyn Road, Tanawha.

Please refer to the map below for more information about the local traffic changes.

The opening of Parkyn Road will enable construction to progress on the new two-way the western service road and the new intersection with Sippy Creek Road.

See the map overleaf for the final design for this area.

#### What to expect:

**Changed traffic conditions for Sippy Creek Road, Tanawha, will be in effect from Friday 27 July 2018 with the opening of a new local access road, Parkyn Road.**

- A new intersection between Sippy Creek Road and Parkyn Road will provide local access to businesses and private properties.
- Changed traffic conditions will remain in place on Frizzo Road. This includes the operation of a single traffic lane with temporary traffic signals.
- Motorists exiting Parkyn Road are required to Give Way to motorists travelling on Sippy Creek Road.

# Final design at Sippy Creek Road and Parkyn Road, Tanawha

## Final design

Temporary traffic changes are required to facilitate construction of the final road design (see below). In conjunction with the new intersection for Sippy Creek Road and Parkyn Road, a new intersection with the new two-way western service road will be constructed. The western service road will provide local connectivity for road users, pedestrians and cyclists between Glenview and Sippy Downs.
