

# Bruce Highway Upgrade

Caloundra Road to Sunshine Motorway

## Notice to motorists

### New Bruce Highway northbound Exit 188 opens to traffic

The Bruce Highway Upgrade – Caloundra Road to Sunshine Motorway (CR2SM) is progressing well, with a number of traffic changes occurring on major and local roads to facilitate ongoing construction works.

From Monday 20 May 2019 (weather permitting), the current northbound Exit 188 loop from the Bruce Highway to Caloundra and Landsborough will be closed and replaced with a new exit approximately 600m to the south. Please refer to the map overleaf.

The new Exit 188 is part of the final configuration for Australia's first Diverging Diamond Interchange, which is rapidly taking shape.

Further traffic changes are programmed for the project in the coming months. The Department of Transport and Main Roads will continue to notify you of these changes before they occur.

### Working hours

Both day and night works will be required to complete these works.

The project's working hours are:

- **Night works:** Sunday to Thursday, 7pm to 5am.
- **Day works:** Monday to Saturday, 6am to 6pm.

It is important to note that these activities are dependent on weather conditions.

### What to expect

#### Changed traffic conditions from Bruce Highway northbound to Landsborough:

- Motorists will take Exit 188, veer left and go straight ahead at a new signalised intersection on Steve Irwin Way.

#### Changed traffic conditions from Bruce Highway northbound to Caloundra:

- Motorists will take Exit 188, veer left, turn right at the new signalised intersection on Steve Irwin Way and right again at the existing signals before the Bruce Highway overpass to access Caloundra Road.

#### Temporary lighting and audible noise

- Lighting towers will be used to light the area at night. Audible noise from construction activities and heavy machinery can be expected near major and local roads to facilitate ongoing construction works.

### Construction notice

May 2019

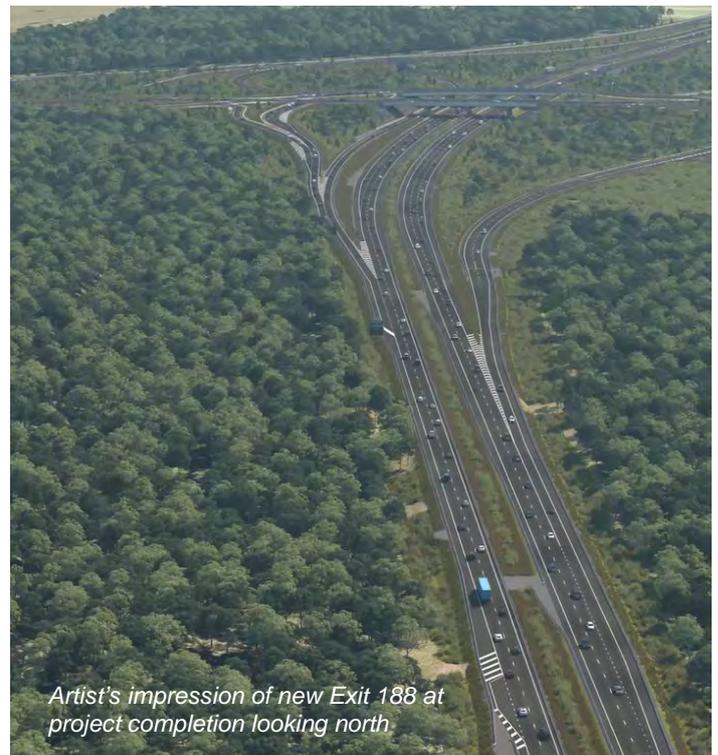

Ref: CN48

#### Changed access to Daisy's Place, Jowarra Park rest area and Mooloolah Cemetery

- A new access will open on the 20<sup>th</sup> May for both Daisy's Place patrons and Jowarra Park rest area visitors. The new access will be located approximately 200m east of the existing access on Steve Irwin Way.
- Access to the Mooloolah Cemetery will also be maintained via the new traffic signals on Steve Irwin Way.

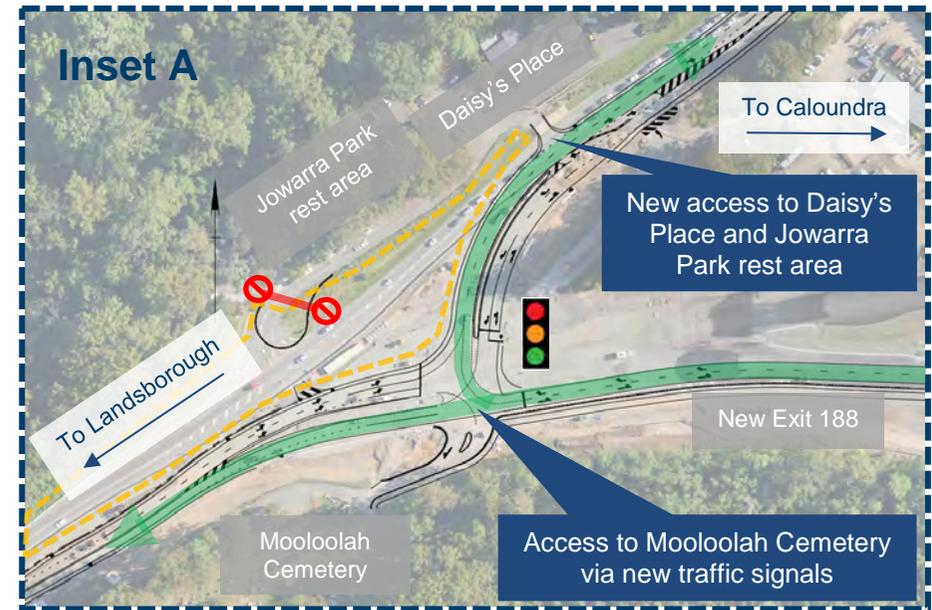

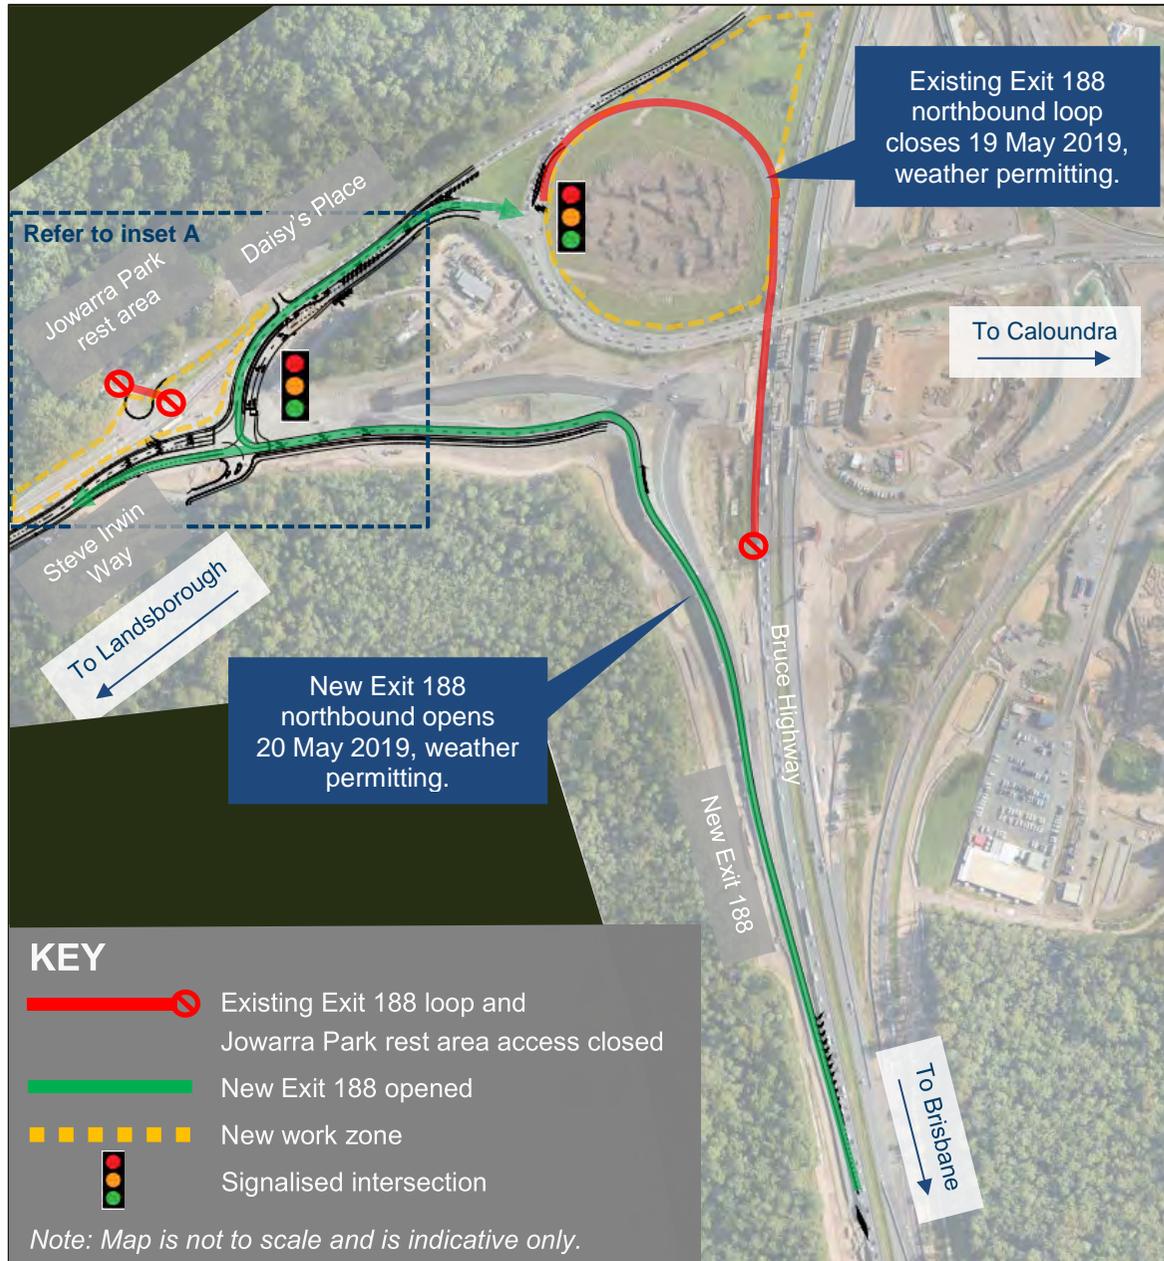

#### Traffic detours and lane closures:

- The existing Exit 188 loop and both eastbound and westbound lanes of Steve Irwin Way between the Caloundra Road interchange and Mooloolah Connection Road will be closed on the night of the 19<sup>th</sup> May to facilitate the traffic changes. Detours will be in place and local access will be provided.
- Further traffic detours and lane closures will also occur prior to the new exit opening to allow for pavement works, signage installation and line marking. Traffic controllers will be present to assist motorists.
