

Bruce Highway Upgrade

Caloundra Road to Sunshine Motorway

Construction notice

July 2019

Ref: CN51

Notice to motorists

Traffic changes on Cresswell Road

The Bruce Highway Upgrade – Caloundra Road to Sunshine Motorway (CR2SM) project is progressing well. A number of traffic changes are occurring on major and local roads to facilitate construction works.

Over the coming weeks, the 40km per hour posted speed on Cresswell Road will be increased to 50km per hour. This speed limit is appropriate for the local road environment and will remain in place until the end of the project.

It is important to note the construction site access (Cal-3) between Caloundra Road and Cresswell Road is permitted for approved CR2SM site and construction vehicles only that are equipped with flashing lights.

Under the Queensland road rules, regulatory signs are in place and must be complied with unless advised otherwise.

All other non-site construction vehicles travelling to the site compound at 120 Cresswell Road will continue to travel via Racecourse Road, Honey Farm Road, Sattler Road and Cresswell Road.

These traffic changes will be in place for the duration of the project.

What to expect

Changed speed limits

- Changed speed limits will be in place on Cresswell Road for the safety of residents, businesses and roadworkers.

Warning signage

- Signage will be in place advising of the temporary traffic changes and access arrangements between Cresswell Road and Caloundra Road.

Traffic on local roads

- General traffic will continue to use local roads in the area to access the Cresswell Road site compound.

Working hours

The project's working hours are:

- **Night works:** Sunday to Thursday, 7pm to 5am.
- **Day works:** Monday to Saturday, 6am to 6pm.

It is important to note that these activities are dependent on weather conditions.

We thank the local community for your patience and cooperation during these works.
