The Department of Transport and Main Roads would like to advise that fencing works will be carried out along Bellflower Road from Monday 30 September 2019, weather permitting.

A 2.1m lapped timber paling fence will stretch from the Bella Grace Early Learning Centre along the western side of Bellflower Road and conclude at a point beyond the southern boundary of Bellflower Retirement Resort. Please refer to the map below.

In addition, landscaping will be undertaken during this project between the new Bruce Highway southbound entry ramp and the fence to further improve the overall visual amenity.

Fencing works are expected to take around two weeks to complete, weather and site conditions permitting.

We thank the local community for your patience and cooperation during these works.

**Working hours**

Fencing works will be completed during the day.

The project’s working hours are:

- **Night works**: Sunday to Thursday, 7pm to 5am.
- **Day works**: Monday to Saturday, 6am to 6pm.

**What to expect**

- **Audible noise and dust**: Heavy machinery will be in use and nearby residents should expect audible noise and dust.
- **Traffic control and lane closures**: Traffic changes will be in place including lane closures, reduced speed limits, changes to traffic flow and short-term traffic disruptions.
- **Site access**: A small gap will be left in the fencing near the bus stop to allow for site access. This area will be fenced later in the construction program.
