The Bruce Highway Upgrade – Caloundra Road to Sunshine Motorway (CR2SM) is progressing well. A number of traffic changes are occurring on major and local roads to facilitate ongoing construction works.

On Sunday 15 and Monday 16 March 2020 (weather and construction conditions permitting), the road connecting Frizzo Road and Pignata Road under the Bruce Highway in Palmview, will be temporarily closed at night between 7pm and 5am.

The nightly closures will allow for demolition works to be carried out on the old northbound Bruce Highway carriageway.

### What to expect

#### Traffic detours:

- Traffic travelling from Frizzo Road to Pignata Road (eastbound) will be detoured via the Bruce Highway northbound, Exit 194 to the Sunshine Motorway, the Sippy Downs interchange, Sunshine Motorway westbound and Bruce Highway southbound to Exit 190 in Palmview.
- Traffic travelling from Pignata Road to Frizzo Road (westbound) will be detoured via the Bruce Highway southbound, Exit 188B to Steve Irwin Way, the highway northbound entry ramp and Exit 190 in Palmview.

- Traffic controllers and police will be present to assist motorists if required. Motorists are advised to follow directional signage and allow extra travel time.
- Where possible, priority access through the work zone will be given to emergency vehicles.

#### Audible noise:

- Nearby residents can expect to hear noise during bridge demolition works. Heavy machinery and tools including rock breakers are required to be used to complete the works.

#### Temporary lighting:

- Generator powered lighting towers will be used to light work areas at night.
