

Cape York Region Package: Peninsula Developmental Road: Progressively extend the seal

October 2015

Figure 1: Sealing works on the Peninsula Developmental Road, Rocky Creek to Koolburra, in 2014

About the program of works:

The Australian Government committed \$208.4 million to the CYRP from 2013-14 to 2018-19, with the Queensland Government contributing \$52.1 million. The Cape York Region Package will upgrade infrastructure, mainly roads including significant works on the Peninsula Developmental Road to improve accessibility to Cape York for the local community, support the growth of the local industry and secondary economies and strengthen local and Indigenous communities so they may take advantage of the increased economic activity in the region.

It is expected that \$200 million from the available funding will be allocated to progressively upgrade the bitumen seal on the Peninsula Developmental Road, which is the main transport link within the Cape York Peninsula and to the rest of the Australian mainland.

The following information relates to the Stage 1 Early Works Package on the Peninsula Developmental Road.

Australian Government

BUILDING OUR FUTURE

Progress to date:

At the end of 2014, an additional 34km of road was sealed at three locations on the Peninsula Developmental Road:

- Rocky Creek to Koolburra (11km)
- South of Sudley (16km)
- Kalinga to Healys (7km)

2015 Early Works projects:

The following four projects will be delivered on the Peninsula Developmental Road in 2015:

- Mein Deviation, north of the Archer River (29km)
- South of Hann River (7km)
- Sourayas Hill (north of Coen Airport) (4.5km)
- South of Morehead River (4km)

2016 Early Works projects:

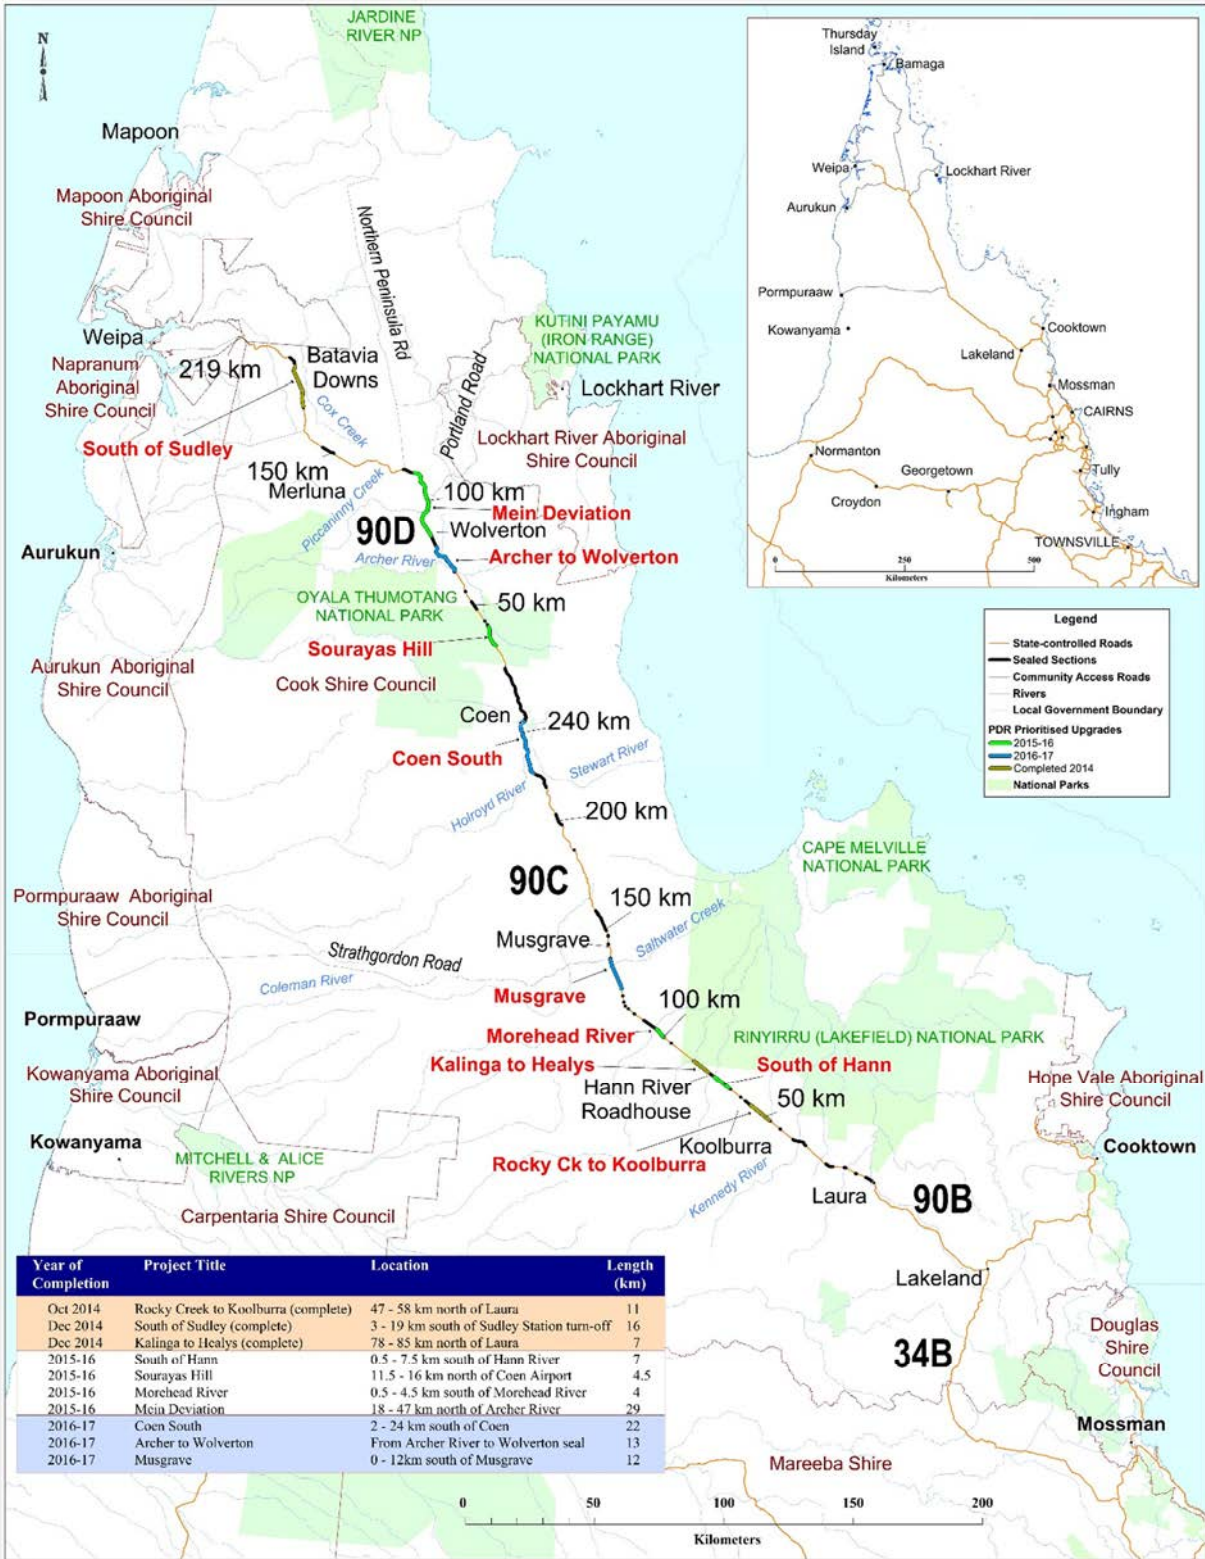

The following works will be delivered in 2016:

- Coen South (22km)
- Archer to Wolverton (13km)
- Musgrave (12km)
