Ipswich Motorway Upgrade: Rocklea to Darra – Stage 1

Full weekend temporary partial road closure of Bannerman Street and western section of Ipswich Road service road, near Amart Furniture, Oxley.

February 2019

The Department of Transport and Main Roads (TMR) advises there will be a full weekend, partial road closure near the intersection of the Ipswich Road service road and Bannerman Street adjacent to Amart Furniture, Oxley (see attached map).

The closure will be from **5pm on Friday 1 March to 5am Monday 4 March 2019**. This work will be carried out continuously, during the day and at night.

Oxley Road roundabout through on-ramp traffic will be unaffected.

Traffic wishing to travel eastbound on the Ipswich Motorway from nearby businesses, Amart Furniture or Action Metal, will be via Bannerman Street.

Some of this work will be noisy as we will be asphalting the road surface, using trucks and asphalt equipment such as profilers, rollers and graders. The project team will try to complete this work as quickly as possible.

If weather conditions prevent the works from occurring on the planned weekend, they will occur soon after at the next opportunity.

Traffic controllers and construction signage will be in place to direct and safeguard motorists and road workers. For everyone’s safety, please follow watch out for these changed traffic conditions, and obey the reduced speed limits.

We apologise for inconvenience this may cause, and thank you for your patience during these essential works. If you would like further information please email contactus@r2d1.com.au or call 1800 204 990.

Kind regards,

The project team
Map showing temporary partial road closure for Bannerman Street and the western section of Ipswich Road service road, Oxley.

Partial closure of Bannerman Street along with the western section of Ipswich Road service road, near Amart Furniture, Oxley. Oxley Road roundabout on-ramp through traffic will be unaffected.
