Night works – Blunder Road and Factory Road Loop, near Bunnings Warehouse and National Tiles, Oxley

June 2019

The Department of Transport and Main Roads (TMR) advises that night works will occur near the intersection of Blunder Road (north) to the east of Factory Road Loop, near Bunnings Warehouse and National Tiles, Oxley (see attached map) from **late June to early August 2019**.

These works will be completed **from 8pm to 5am Sunday to Thursday**. Lane closures are required, with all lanes reopened to traffic outside of these operating hours.

Some of this work will be noisy and water trucks will be used to control dust where necessary.

Please obey reduced speed limits, signage and traffic control advising of the changed traffic conditions in place, to ensure the safety of road users and work crews on site. We apologise for the inconvenience and ask for your patience and safety through roadworks.
