

Ipswich Motorway Upgrade: Rocklea to Darra – Stage 1

New footpath/shared path works, Ipswich Road (northern service road) to Granard Road, between Tyreright and Hoban Recruitment, Rocklea.

April 2019

Works are expected to start **from mid-April** to upgrade a section of the Ipswich Road service road footpath (northern side) between Tyre Right and Hoban Recruitment (near Granard Road), Rocklea. The existing footpath will be replaced with a wider shared pedestrian/cycle path on the northern side of the service road.

Works will be carried out in stages and include new street light installation, minor excavation, placing of concrete, line marking and signage. Work hours are **8am to 5pm Monday to Saturday**. This work is expected to be completed by late 2019, weather and construction conditions permitting.

What can I expect?

To provide a safe work environment, the footpath and shoulder of the road in the immediate work area will be temporarily closed, with minor disruptions expected. Through traffic will be controlled by signage or traffic control.

In addition to this work, some driveways to commercial businesses will need to be widened to maintain access for large vehicles. The project team will work with the relevant property owners and businesses to manage and minimise impacts wherever possible during these works.

Turning paths and access arrangements will be checked for each property and business to ensure usual operations are maintained.

We apologise for inconvenience this may cause and thank you for your patience during these essential works. If you would like further information, please email contactus@r2d1.com.au or call 1800 204 990.

Information about current traffic and road conditions can be found at www.QLDTraffic.qld.gov.au, by downloading the QLDTraffic app, or calling 13 19 40.

Kind regards,

The project team

Map showing the location for new footpath/shared path works, Ipswich Road (northern service road) to Granard Road, between Tyreright and Hoban Recruitment Rocklea.

Scheduled for mid-April to late 2019

**Please refer to the purple line on the above map. Future stages of the active transport upgrade for the Rocklea to Darra – stage 1 project will include the separated cycle pathway on the motorway side of the service road. A separate notification will be issued for this when timing has been confirmed.
