Ipswich Motorway Upgrade: Rocklea to Darra – Stage 1

DATE CHANGE – Major traffic switch Donaldson Road overpass to Oxley Road roundabout, Oxley.

Due to adverse weather conditions expected this weekend (15, 16, 17 March 2019) and to ensure the safety of motorists, the general public and our work crews on site, this weekend’s scheduled Westbound major traffic switch will now occur from 6pm Friday 22 March to 5am Monday 25 March, 2019.

Westbound traffic will be switched onto a new alignment on the weekend of Friday 22 March from 6pm and finishing 5am Monday 25 March.

- Temporary closure of the Boundary Rd entry ramp. Detour in place via Randolph St to travel westbound on the motorway. (Map 1a)

- Overnight temporary closure of the westbound exit ramp to Oxley/Blunder Road and Factory Rd Loop. Detour via the next exit ramp to Rudd Street for access to Oxley Road, Blunder Road and McDonalds on Sunday night 24 March. (Map 1b).

- Westbound motorists will travel on new alignment Monday 25 March (Map 1c).

Please note: The Eastbound traffic switch which was scheduled to occur Friday 22 March to Monday 25 March, 2019 will be rescheduled to a later date. Additional information will be provided in a separate notification.

If the traffic switch cannot occur due to adverse weather or construction conditions, it will be moved to the next possible weekend.

On these weekends, restrictions will be in place at lower traffic volume periods with only one motorway traffic lane open in each direction. Motorway lanes may also be impacted beyond these periods if unexpected construction conditions are encountered.

We apologise for the inconvenience. Delays are expected, particularly Sunday afternoon. Please consider alternative routes when planning your journey. Remain alert, follow detour signage, be patient, and please drive safely. We will do our best to get the work done and minimise disruption.

Thank you for your cooperation,

The Project Team
