

Ipswich Motorway Upgrade: Rocklea to Darra – Stage 1

Temporary closure of Reedy Road

October 2018

The information below relates to the temporary closure of Reedy Road, Oxley as part of the Rocklea to Darra – Stage 1 project.

Construction of the new motorway entry ramp at Reedy Road, Oxley will start mid October 2018 and will involve relocation of public utility services, installation of drainage and a complete pavement reconstruction.

To complete these works it will be necessary to temporarily close Reedy Road (except for access to local business) for seven (7) months, weather and construction conditions permitting.

Local businesses on Reedy Road will have access maintained throughout the closure with traffic control in place. Preliminary consultation with the businesses has occurred to work out satisfactory access arrangements. Signage advising of the changed traffic conditions will be in place.

If you would like further information about the Ipswich Motorway Upgrade: Rocklea to Darra – Stage 1 project construction activities, please visit www.tmr.qld.gov.au/rocklea2darra1, email contactus@r2d1.com.au or call 1800 204 990.

Information about current traffic and road conditions can be found at www.QLDTraffic.qld.gov.au, by downloading the QLD*Traffic* app, or calling 13 19 40.

Some delays may be experienced while these works take place. We thank you for your patience and understanding while construction activities are underway.

Kind regards,

The project team
