Ipswich Motorway Upgrade: Rocklea to Darra – Stage 1 project

Full weekend temporary closure of Boundary Road on ramp and western section of Ipswich Road service road and Boundary Road, near Coates Hire Rocklea.

February 2019

The Department of Transport and Main Roads (TMR) advises that the existing Boundary Road on ramp to the Ipswich Motorway along with the western section of Ipswich Road service road and Boundary Road near Coates Hire, Rocklea will be temporarily closed, for a full weekend, from 6pm on Friday 15 February and will reopen 6am on Monday 18 February 2019.

A detour will be put in place via the Randolph Street on ramp (see map attached) for traffic wishing to travel westbound on the Ipswich Motorway.

If weather conditions prevent the works from occurring on the planned weekend, they will occur soon after at the next opportunity.

The closure of these road sections is necessary to enable the permanent raising of the road level at this location.

Local access only, will be maintained to businesses on Boundary Road and Ipswich Road service road via detours on Donaldson Road, Banting Street, Reginald Street and Randolph Street.

Traffic controllers and construction signage will be in place to direct and safeguard motorists and road workers. For everyone’s safety, please follow the detours, watch out for these changed traffic conditions, and obey the reduced speed limits.

We apologise for inconvenience this may cause, and thank you for your patience during these essential works. If you would like further information please email contactus@r2d1.com.au or call 1800 204 990.

Kind regards,

The project team
Map showing temporary closures for Boundary Road onramp, Rocklea.

Closure of the existing Boundary Road on ramp along with the western section of Ipswich Road service road and Boundary Road, near Coates Hire, Rocklea.
