

April 2016
Version 2

TEMPORARY ROAD CLOSURE

Rudd Street, Broadbeach Waters

Southport–Burleigh Road network improvement program Southern section (Fremar Street to Rudd Street)

As part of works to upgrade Southport–Burleigh Road (Bermuda Street), between Fremar Street and Rudd Street, Broadbeach Waters, Rudd Street will temporarily be closed.

Rudd Street, between the Bermuda Street intersection and Wyuna Street, will temporarily close to all vehicles for two weeks.

The temporary closure will allow major pavement and other intersection upgrade works to be completed at the intersection of Rudd Street and Bermuda Street.

A detour will be in place however motorists should plan their journey, seek an alternative route where possible and allow extra travel time.

Timeframes

From 6pm Tuesday 26 April to 6am Tuesday 10 May 2016, Rudd Street, at Bermuda Street will be closed to all vehicles.

It is important to note that this schedule may change without further notice due to weather, site and contractor conditions.

What to expect

- Rudd Street, between the Bermuda Street intersection and Wyuna Street will be closed to all traffic. During works there will be no vehicle access through the intersection.
- A signed detour will be in place to direct motorists to use an alternative route.

- Motorists can expect increased congestion and traffic on surrounding routes for the duration of works.
- Local access to residential properties in Rudd Court, Broadbeach Waters, will be maintained.
- The majority of work will be completed during the day however some out of hours (night works) will be necessary to complete the work.
- These works require the use of heavy machinery and construction equipment that will produce audible noise. The project team has strategies in place to minimise impacts wherever possible, however your patience and understanding is appreciated.
- Pedestrian access will be maintained and clearly signposted.
- Due to the closure, local bus services may be disrupted. Visit www.translink.com.au for more information about changes to bus services.
