

Temporary bus stop closure – Pisa Court

**Southport–Burleigh Road upgrade
Northern section (North Street to Vespa Crescent)**

March 2016

Transport and Main Roads (TMR) is upgrading a 5-kilometre section of Southport-Burleigh Road (High Street, Ferry Road and Bundall Road) between North Street, Southport and Vespa Crescent, Bundall.

From early March 2016, TMR's contractor – BMD Constructions – will start construction of the off-road shared pedestrian and cycle pathway on the eastern side of Bundall Road.

From Monday 7 March 2016, the TransLink bus stop located on Bundall Road near Pisa Court (Stop ID 300537) will be temporarily closed.

Passengers who normally catch routes 738 or 747 from this stop will be required to use the alternative bus stop on Bundall Road located 400 metres north at Evandale Parklands near the Arts Centre Gold Coast (Stop ID 300 535).

This bus stop closure will be in place until the completion of the footpath works in this area in April 2016.

Pedestrian access

Pedestrian access will be maintained around the work zones for local access only, where possible. Signage will be in place to safely direct pedestrians around the work area.

To access the Evandale Parklands bus stop, please walk around the works using the footpath on the western side of Bundall Road, crossing safely using the traffic signals at Vespa Crescent, Crombie Avenue and Karp Court.
