

## Veloway maintenance works, Woolloongabba.

The Department of Transport and Main Roads would like to advise that maintenance works will be carried out on the Veloway 1 (V1) cycleway in Woolloongabba.

### Timing:

- Night works will be carried out from the 26th of February 2018 to late April 2018 from **Sunday to Friday** between **7pm to 5am**, weather and construction conditions permitting.

### Work will include:

- Replacing damaged concrete slabs, removing and replacing balustrade and constructing a retaining wall near Allen Street. These maintenance works will ensure the continued safety for cyclists along the V1.

### Expected impacts:

- Several cycling detours will be in place, these detours will alternate depending on the construction program (**see below**).
- North bound lane closure on the Pacific Motorway.
- Lane closures on the Stanley Street on and off ramps.
- Reduced speeds and minor delays for cyclists during the day due to changed conditions.
- Increased noise and lights from equipment, reversing vehicles and activities on site.

For more information on this work, please contact the project team by emailing [metropolitanregion@tmr.qld.gov.au](mailto:metropolitanregion@tmr.qld.gov.au) or calling 3066 4338 during business hours.

For up-to-date information on road closures and traffic conditions across Queensland, go to [www.qldtraffic.qld.gov.au](http://www.qldtraffic.qld.gov.au) or call 13 19 40.

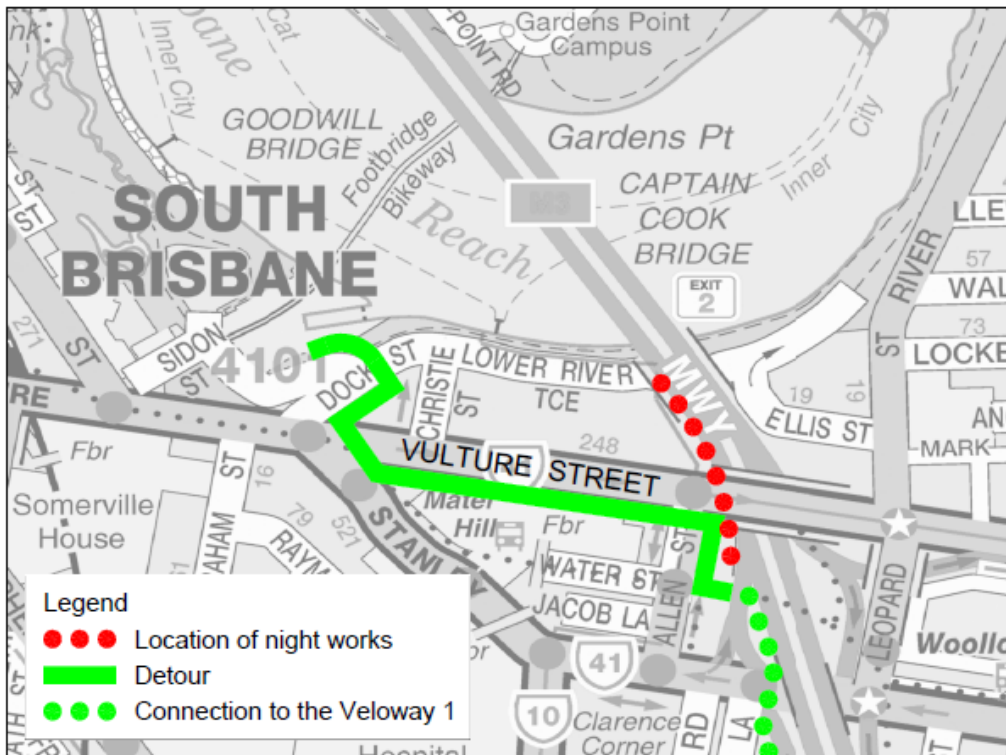

TMR appreciates your patience while these important works are being carried out.

Kind regards,

### The Project Team
