Please note the following:

Data was extracted on 1 July each year, unless otherwise stated.

Figures may change from previous reports due to continuous data cleansing.

* Recreational vessel registration figures for 1991 are only available for April.

Speedboat figures were included with Motorboat figures from 1993 - 1995.

Motorboat and Speedboat figures were separated from 1 July 1996.

Changes to Queensland's marine safety laws in September 2016 gave way to a reclassification of registered ships, thereby introducing two new classifications: "Other Queensland regulated ships" and "Prescribed other Queensland regulated ships".
