

# Updated websites for the *Easy Steps* resource package

The *Easy Steps* resource package was published in 2005. Queensland Transport has undertaken a review of the website addresses within the publication to ensure that the information provided is accurate and up to date.

The table below shows the revised website addresses. Queensland Transport proposes to undertake a review of the *Easy Steps* resource package every three years to ensure that the information remains current and meets stakeholders' needs.

Page number	Module and section reference	Website address
