

Queensland Transport and Roads Investment Program 2020–21 to 2023–24

Snapshot – North Queensland Region

Our region

An area of about 659,334km², around 38.2 per cent of Queensland.

Estimated residential population of 0.55 million people, around 11 per cent of Queensland’s total population.

Responsible for 6630km of state-controlled road network, 1762km of National Land Transport Network, 1434km of national rail network, marine infrastructure and cycleways.

Our key challenges

People – Continued difficulty in attracting and retaining suitably skilled and experienced Contractors and Project Managers.

Materials – Peaks in demand affect supply and cost of materials.

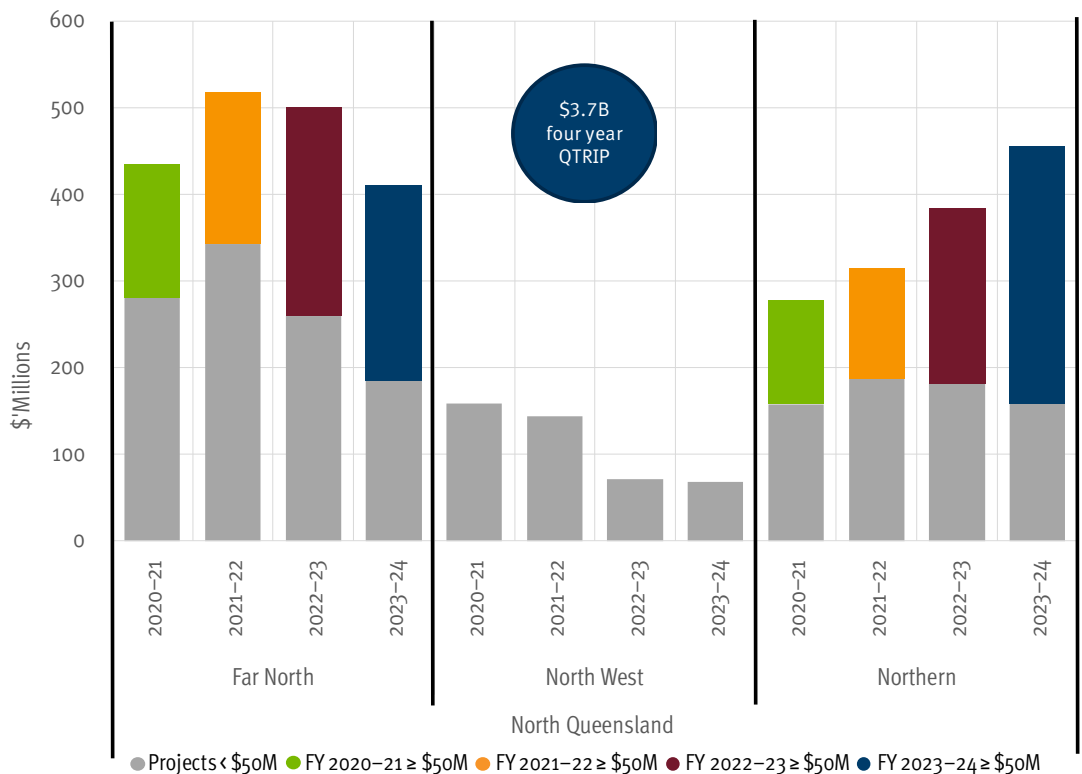

Weather – Unseasonal, severe, prolonged wet seasons affecting the delivery of the program.

Plant – Peak demand, supplier constraints, resource deficiencies and specialist plant/ services.
