

Queensland Transport and Roads Investment Program 2020–21 to 2023–24

Snapshot – South Coast Region

Our region

An area of about 6544km².

Stretching from New South Wales border in the south to Springwood in the north, and as far west as the Cunningham Highway, west of Boonah.

Responsible for 130km of National Land Transport Network and 918km of other state-controlled roads.

Our key challenges

Environment – Designing and constructing in sustainable ways and achieving best practice environmental outcomes.

Building Information Modelling (BIM) – Progressive implementation across all contract levels.

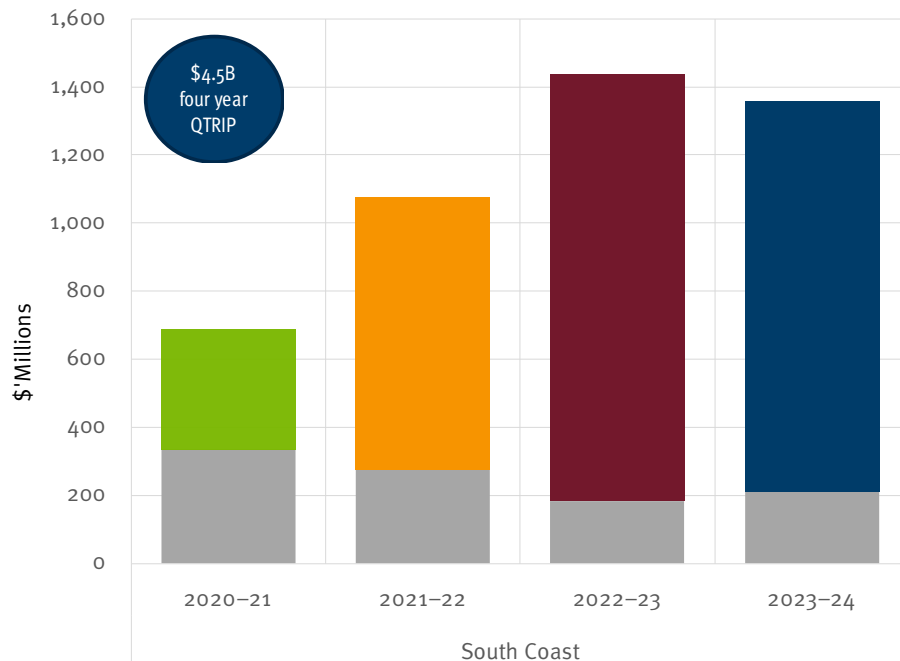

Constructability – High traffic volumes 24/7, works planned to ensure traffic flows.

Program – Integration with adjoining projects and tight timelines.
