

The background image shows a two-lane asphalt road curving through a landscape of green hills and trees. A white truck is driving away from the viewer on the right side of the road. In the distance, a small town or cluster of houses is visible on a hilltop. The sky is a clear, pale blue.

Warrego Highway Upgrade Strategy

Brisbane to Charleville

Connecting Queensland's regions

Production

The Queensland Government's *Warrego Highway Upgrade Strategy* is a Department of Transport and Main Roads' publication. It builds on the 12-year *Warrego Highway Upgrade Program (Helidon – Morven)*, which was a joint submission developed with the south-west Queensland Council of Mayors following the Warrego Highway Summit held in Toowoomba in May 2010. It also had the strong support of the Royal Automobile Club of Queensland (RACQ) and the Queensland Trucking Association (QTA).

Assistance
