Creating a single integrated transport network accessible to everyone
Our vision and purpose

Creating a single integrated transport network accessible to everyone

To deliver to our customers, the Department of Transport and Main Roads (TMR) will value and support our workforce as our greatest strength. This is at the core of our ability to move towards our aspirations and is reflected throughout the Strategic Plan.

Our opportunities and challenges

The following are external factors that form the sources of TMR’s strategic opportunities and risks which may impact our ability to achieve our objectives. In such a large and diverse department, it should be noted what is an opportunity to some areas may be a challenge to others.

- Increasing pace of technological and social change
- Disasters and network incidents
- Changing customer and stakeholder expectations
- Unplanned economic conditions within a constrained fiscal environment
- Analysis and effective use of the increasing volume of data
- Regulatory frameworks and process limitations
- Diverse and geographically dispersed population
- Changing workforce demands
