## Transitional arrangements - BoatSafe Business Rules

### Purpose

This BoatSafe Information Bulletin is to provide details on the transitional arrangements for the implementation of the BoatSafe Business Rules.

### Transitional arrangements

#### Insurance requirements

The BoatSafe Business Rules provides for specific detail regarding the expectations for the necessary insurance cover for BoatSafe Training Organisations (BTO) and BoatSafe Training Providers (BTP). These requirements have been clarified from the previous requirement to hold *appropriate* insurance.

All BTPs must ensure their insurance cover meets the stipulated requirements before **1 April 2021**.

#### Ship condition

The BoatSafe Business Rules provides for specific detail regarding the expectations for the presentation and condition of training ships.

All BTPs must ensure ships used for the delivery of training and assessment meet the requirements of the BoatSafe Business Rules before **31 December 2020**.

#### PWC requirements

The BoatSafe Business Rules provides for specific detail regarding the expectations for PWCs used for the delivery of BoatSafe training and assessment. PWCs must be equipped with a braking system and reboarding ladder.

All BTPs must equip themselves with a PWC that is equipped with a braking system and reboarding ladder before **31 December 2021**.

#### Training of trainers

Authority holders with grandfathered qualifications must update to TAE40116 Certificate IV in Training and Assessment before **31 December 2021**.

#### BTP Authorities

The BoatSafe Business Rules prescribe for all BTPs to be issued with an authority. The authorities will be issued within 14 days from the effective date of the BoatSafe Business Rules.

*This BIB 009, and the implementation of the BoatSafe Business Rules repeals BIB 001, 002, 003, 004, 007.*
