

## Registered Curing Compounds

3 November 2020

*Curing compounds are registered in accordance with Registration Scheme: Suppliers and Products for Bridges and Other Structures.*

| Registered Product     | Class                 | Type      | Supplier                      |
|------------------------|-----------------------|-----------|-------------------------------|
| Masterkure 100         | A – Wax               | 1 – Clear | BASF Construction Chemicals   |
| Masterkure 250         | B – Hydrocarbon       | 1D – Dyed | BASF Construction Chemicals   |
| Masterkure 404         | D – Synthetic Polymer | 1 – Clear | BASF Construction Chemicals   |
| Surface Cure R         | B – Hydrocarbon       | 1D – Dyed | Chemical House                |
| Surface Cure R-30      | Z - Other             | 1D – Dyed | Chemical House                |
| Surface Cure HRW – 30  | B – Hydrocarbon       | 2 – White | Chemical House                |
| Surface Cure W         | A – Wax               | 1D – Dyed | Chemical House                |
| Surface Cure W – 30    | A – Wax               | 2 – White | Chemical House                |
| Slab Clad R            | B – Hydrocarbon       | 1D – Dyed | Concrete Colour Systems       |
| MultiCure A            | D – Synthetic Polymer | 1D – Dyed | Lyndons                       |
| MultiCure R            | B – Hydrocarbon       | 1D – Dyed | Lyndons                       |
| MultiCure R-30         | B – Hydrocarbon       | 1D – Dyed | Lyndons                       |
| MultiCure W            | A – Wax               | 1D – Dyed | Lyndons                       |
| MultiCure W-30         | A – Wax               | 1D – Dyed | Lyndons                       |
| SuperCure HR           | B – Hydrocarbon       | 1D – Dyed | Penetron                      |
| Concure A99            | D – Synthetic Polymer | 1 – Clear | Parchem Construction Supplies |
| Concure WB 30 Clear    | A – Wax               | 1 – Clear | Parchem Construction Supplies |
| Concure WB 30 White    | A – Wax               | 2 - White | Parchem Construction Supplies |
| Concure HR90           | B – Hydrocarbon       | 1D – Dyed | Parchem Construction Supplies |
| Curecon W              | B – Hydrocarbon       | 1D – Dyed | RLA Group                     |
| Curecon W-30           | B – Hydrocarbon       | 1D – Dyed | RLA Group                     |
| Curecon W-30 (solvent) | B – Hydrocarbon       | 1D – Dyed | RLA Group                     |
| Curecon PW             | A – Wax               | 1D – Dyed | RLA Group                     |
| Curecon PW-30 HR       | A – Wax               | 2 – White | RLA Group                     |
| Antisol AC             | D – Synthetic Polymer | 1 – Clear | Sika                          |
